# About US

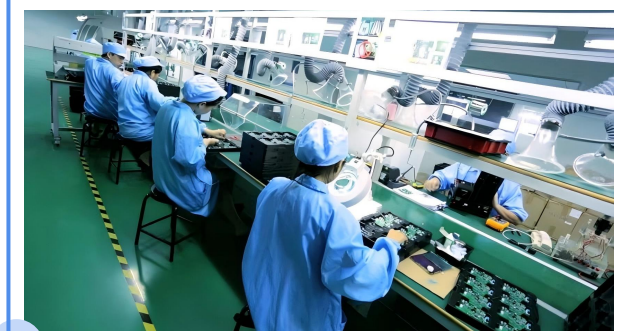

## Shenzhen Giimake Technology Co., Ltd.

We are a comprehensive security enterprise specializing in the **R&D, production, sales, and service of consumer-grade electronic products**. Our primary focus is on **Intelligent Security Cameras**, backed by over **16 years** of industry experience and a deep specialization in **V380 solution-based products**.

In addition, our product portfolio includes **USB fans, Bluetooth headsets/earbuds, and wireless network products**, all developed with the same commitment to quality and innovation.

We provide a **one-stop service system** covering **R&D, design, production, processing, and user installation**. Headquartered in Shenzhen, Guangdong Province, the company operates a **2,500-square-meter modern manufacturing facility** equipped with **state-of-the-art production lines** and an **advanced management system**. Supported by a **highly efficient production team**, we achieve a **daily output of 10,000 units** and a **monthly production capacity of 600,000 cameras**, ensuring stable and timely delivery.
