SOME PRACTICAL ADVICE AS WE ENTER GREAT LENT

We have plunged into the holy waters of Great Lent and on Cheesefare Sunday, we heard our Lord say, “If you forgive others their trespasses, your heavenly Father also will forgive you; but if you do not forgive others their trespasses, neither will your Father forgive your trespasses.” These words are quite clear. If we cannot learn to forgive others, genuinely, from the heart, we can never accept the forgiveness that God wants to give to us. This is the case because God cannot impose Himself upon us. He invites us, but He doesn’t impose. We come to the church and we may find some words of inspiration or practicality in the sermon. Please know that the Orthodox Christian faith is not a philosophy but is practicality that comes from truth and leads us to abundant life. If you want to have great relationships with others, one of the most important things that you need to learn is the ability to forgive. Whether through words, or actions or thoughts we need to forgive others. This will give you tremendous peace that flows throughout your relationships and clears your path to knowledge of God. This is a tremendous life lesson that we can apply daily. Below are some more practical tips for getting the most out of Great Lent.

1) Guard your eyes: The eyes are the lamp of the soul. Lent is a great time to really pay attention to what we read and see. It is now an established fact that social media has consequences on youth, but it is also becoming clear that these forms of social media are really not beneficial to our spiritual development. We know of the harms in the entertainment industry as well as the news. All of these things, even when they seem innocent or harmless, are of questionable value because they usually distract our minds away from the things of God and direct them to the things of the world. Perhaps this Lent can be a time for us to dramatically cut our screen time, whether it is games or tv or web browsing. Perhaps we can use this extra time for activities that build up the family like reading or board games. Perhaps it could even be used for more prayer. Let’s try to put down our phones from dinner time until bedtime. Let’s give others our attention and not withhold our love to focus on trivialities. Let us guard our time and our minds through the gateway of the eyes.

2) Guard your lips: Our Lord Jesus tells us that it is not what a man puts in his mouth that makes him unclean, but the things that come out of his mouth. During this season we are keen to focus on the food we eat and to try our best to observe the rules of the fast. Let us not forget that the fast is but one way of attracting the grace of God. But if we fast from certain foods but don’t abstain from gossip or evil words, the grace of God will not rest on us. Then we will be in worse shape than before we fasted. The Fathers of the Church tell us that practicing silence can greatly help us to receive the grace of God. The lips are connected to the mind and heart. When one is silent, the others begin to quiet down and give room for God to speak to us in our depths. Find time in your day for absolute silence. No phones, no music, no people. Just 10 or 20 minutes of silence, preferably in front of an icon, can make a great difference in our internal life.

3) Attend more services: If in the past, you attended Lenten services once a week, perhaps you can increase your level of participation and commitment to attending two Lenten services a week. If you have never come to mid-week services, perhaps it is within your power to attend and experience the beauty and depth of these services. CONTINUED ON PAGE 2

SOME PRACTICAL ADVICE AS WE ENTER GREAT LENT CONTINUED

Mondays at 6 p.m. will be the Great Compline, Wednesdays at 6 p.m. will be the Pre-Sanctified Liturgy and Fridays at 7 p.m. will be the Salutations to the Virgin Mary. The holy prayers and services are a great means of receiving the grace of God. To come to the Church and pray is truly a counter-cultural and revolutionary act. It is a declaration of our time and faith and commitment to the living God and His people. When you come, you greatly benefit not only yourself but the others in your family and in the church. If for instance, the church is empty on Monday night. Let us suppose that one person comes to pray. He or she might think to themselves “Am I strange?” or “Perhaps I am missing some other important event.” But when they’re are many gathered, they are strong and they bear witness to another that Christ is the center of our life and that worship is an essential part of our day.

4) Expect to be tempted: When we fast and increase our prayer life, we are making a declaration of war against the evil forces. But just because the enemy has woken up and increased his attacks, does not mean that we should back down and run away or retreat. This is the exact time to fortify our defenses and increase our attacks, primarily through prayer and the study of the Scriptures. When you pray and use the name of Jesus Christ you mercilessly whip the enemy and bring him to great shame. It is better that your enemy should know shame then to succumb to temptation and have the shame placed on you! Remember that Lent is not just a season but a symbol of our whole life.

You desire the good things of life. You desire eternal life. Turn to the living God and you will have them! Let this Lent be your return to paradise. Paradise is not a place, paradise is the Lord Jesus Christ. Whatever we put into this sacred and special season will be returned to us with heavenly interest! Our time spent in the church will not be lost! Our money given to the poor will not be lost! Our efforts to pray and struggle will not be lost. None of these will be lost, but in return for all of these, we will be truly found! Turn your mind towards Christ continually. Learn to love prayer, consistent conversation with the Lord. What counts above all is love, passionate love for our Lord, Christ the Bridegroom. Become worthy of Christ’s love. In order not to live in darkness, turn on the switch of prayer so that divine light may flood your soul. Christ will appear in the depths of your being. There, in the deepest and most inward part, is the Kingdom of God. The Kingdom of God is within you so let us say “Glory be to God for all things” Amen.

There will be 100 envelopes between $1.00 and $100.00 dollars for you to make your donation to the Church. If all the envelopes are submitted, $5000 will be raised. We will do this now and again in the Fall, September – November. There will be expenses to have the Archbishop of America come. There will be several complimentary invitations to the Grand Banquet as well as the tickets of all the past priests who have served the church and the area priests. This along with other special expenses add up. We pray that you have an unforgettable experience this year for our 50th Anniversary. Dear Parishioners,

The Stewardship Year begins on January 1st and concludes on December 31st. We ask that you do not delay and join the “St. Theodore’s Stewardship Program for 2023” so that we can grow and become a stronger Church and minister to you, the people of God. The Church needs the support of its members year round. Please consider giving a pledge as a way of showing your support and love to the Church. It cost thousands of dollars a month to operate the Church with the monthly utility and maintenance bills and salaries. Please consider giving as much as your heart tells you to give. You do not need to make your payment all at once. You can give quarterly, monthly or weekly, which makes it very easy and affordable. Paying on Square@sttheodores.org has also been set up for those who would like to use it. Thank you!

As of February 22, 2023 we have a total of 83 stewards who have signed up for their 2023 Stewardship of the Church. Please join the membership list of supporters.

CREDIT CARD STEWARDSHIP PAYMENTS

If you would like to pay your stewardship monthly by credit card, please email to the following email address:
