Special Restaurant / In-Store Promotion

Concept

The "Celebration" Food and Culture are very important to African Americans. Many of our local business owners want to encourage others to sample their fashion, specialized product, important information, and fine dining. Live promotion allows the Chicago public to visit and patronize that local boutique, office practice, or restaurant. A live promotion helps engage the business owners with new customers and neighborhood patrons.

With this IN MIND...

A music specialist, sound equipment, signage, giveaways, networking, live interaction, and media promotion will get the crowd excited!

- Live "on-line promotion with re-broadcast (2-3) hour event
- Live media personalities with Social Media following
- Social Media post shared during event
- Specialized signage posted during the event
- 5-10K flyers dispursed prior to event/targeting areas
- 1 Media interview on WVON 1690 AM
- 1-2 Media interviews prior to event
- :15-:30 second recorded commercial to broadcast event promo played during the event
- 4-8 "Live reads" with media broadcast partner(s)
- 2 Month Presence on www.bishoppromotesyou.com
- 2 Month Presence on www.wosdradio.com
