

Bishop Ruocco KofC Council

Program Leadership

As of: 4/7/2024

Explanations of each event/activity and time commitment can be found on a separate page or by consulting the Council website: Knights9275.org. Current directors/chairs should provide the following information:

- An anticipated commitment (i.e. hrs/month)
- For specific programs or events, A BRIEF write-up about the activity in 50 words or less - ideally in a maximum of 2 bulleted points.

Please send updates to Matt Bartos: mdbartos@gmail.com

* Notes about current commitment and potential apprentices: while the lead/chair devotes their time/commitment, apprentices should not expect to jump in at that level *
