# 2024 Board of Directors

Thank you for your support of local theater.

This year we have a season of drama and music, whimsy and realism. With 6 productions our season feels full with something for everyone.

A huge thank you to our corporate sponsors and program advertisers! Their generous support makes these productions possible. Please take a moment to note them and give these businesses and individuals your support, too.

I'd like to take this moment to invite you to participate also. Being in our audience is welcome. To be frank we need you there. But if you've ever wondered about being under the lights or what it takes to put on a production backstage let us know. Come to an audition and let us know you'd like to try. No experience necessary. In fact, for 87 years this theater has offered amateurs the chance to aim for the stars in all capacities. And our greater community has both made better theater and been made better by theater. Please, come along with us as we carry on the tradition.

Enjoy the show.

Christie Harkness

## 2024 Youth Performing Arts Workshop

This year we are celebrating our 16<sup>th</sup> year of the Youth Performing Arts Workshop. We are excited to be working on *Ronald Dahl's Willy Wonka Jr.*

Our staff consists of professional educators and theatre practitioners who are dedicated to providing quality instruction and a positive learning environment for every child. Many volunteers from the Community Players of Hobbs will be assisting in different capacities to ensure a great theatre experience for the children. Students receive instruction in all areas of play production including: basic theatre terminology, stage movement, character development, voice production, singing, dancing, makeup techniques, scene painting, and much more. Student participation in activities will be appropriate to their age and skill level.
