

2025 Board of Directors

Christie Harkness
President

I wish you would all extend a huge thank you to our corporate sponsors and program advertisers! Their generous support continues to make our productions possible. Please take a moment to note them and give these businesses and individuals your support, too.

In our 88th year, the Community Players of Hobbs offers amateurs the chance to direct, act and produce quality theater for the Lea County communities. While on-stage last year (Yvette – Neil Simon's *The Dinner Party*) I was reminded of the energy that flows from a live actor to the audience and back. It's an amazing feeling when you touch people's emotions and it's a different chemistry for each performance. I'd like to invite you to feel that magic whether it's under the lights, backstage during a production or in our wonderful audiences. Come on down to any audition and give theater a try!

Remember: our community has always both made better theater and been made better by theater. Please, come along with us as we carry on the tradition.

Enjoy the show.
