Ding Darling National Wildlife Refuge
Ibis and Egrets - Salt Marsh

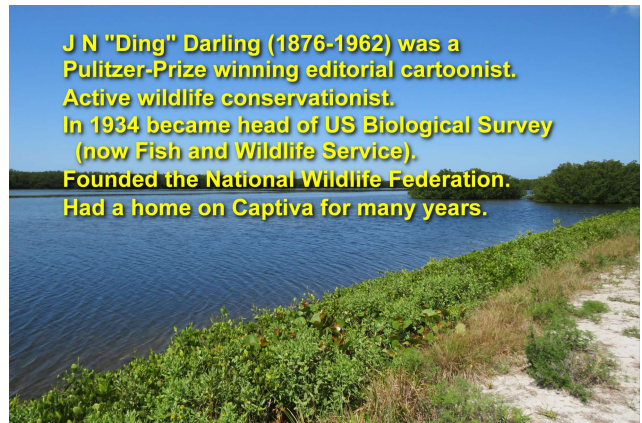

Kingfisher, Grebe, Merganser, Stilt, Plover,
Sandpiper, Willet, Cuckoo, Pelicans, Hawk, Osprey,
Cormorant, Anhinga, various Herons, various
Egrets, Ibis, Stork, Spoonbill, and many others.

Three types of mangrove:
Common to all: Grow in salt water. Roots filter out 90% to 97% of salt.
Red Mangrove. Grow right on the coast. Prop roots filter out salt before it reaches the leaves.
Black Mangrove. Grow slightly inland. Secrete salt through underside of leaves.
White Mangrove. Grow further inland. Get water only at highest tide. Secrete salt through leaves.
