Creating Iconic Bathrooms . Since 1963

From its inception in 1963, KAMAL has come a long way establishing itself in the hearts and mind of Indian Consumers. With a Pan India presence in all major states and cities, through an extensive network of dealers and distributors, the brand has been able to seamlessly fulfill the requirement of different geographical sections of the country.

With a true belief in the Ideology “Quality is remembered, long after the price is forgotten” we are continuously in the pursuit of creating products which are not only competitively priced but provide a hassle free experience for years together.

Each products undergoes a series of rigorous inspections by qualified and trained personnel before it hits the market. As a result, customers are able to engage with a brand that is futuristic in terms of product development and innovation and at the same time provide the stability and trust of an established name.
