 White Pine Sliding Barn Door..... \$350.00

Cabin and Building Blueprint Example

Electrical Instruction

- ◆ Rough In Inspection is a KY Inspection = \$300.00 surcharge.
- ◆ Check with your County before ordering a Wired Building - for some counties have outlawed finished portable buildings.
- ◆ Our Cabins are NOT Certified Tiny Houses.
- ◆ Our Cabins are not intended for Residential Use but as in for She Sheds / He Sheds / Backyard Getaways.
- ◆ Our Cabins are portable buildings optionally used for a wide range of necessities.
- ◆ We do not install the lights - but Light Box with wire.
- ◆ We can NOT wire double wides.

White Pine Interior*

Things to Consider!

- ◆ How high does my loft need to be off the floor?
- ◆ Door Style - see page 21 - LH Door or RH Door.

- ◆ What will the 220 outlets be used for - note on drawing.
- ◆ Exterior cabin doors are 5'10" high.
- ◆ Interior doors are normally 80" high.
- ◆ Do I need a railing on my loft?
- ◆ Do I need a ladder for my loft?
- ◆ Is the ground prepared for delivery?
- ◆ Have I checked with the county for codes?
- ◆ Will I need a Rough In Inspection - KY Rough In?
- ◆ Have I asked my electrician which breaker box I need - 100 amp or 200 amp?
