Interfaith Welcomes New Senior Manager

Aaron Czappa has joined Interfaith Volunteers as our new Senior Manager. He brings more than twenty years of experience working in nonprofit organizations, with a strong focus on nonprofit leadership and educational program administration.

*Interfaith Volunteers
Senior Manager
Aaron Czappa*

Aaron's professional background includes serving as the Learning Support and Disability Services Specialist at Chippewa Valley Technical College, as well as, Executive Director roles at Chippewa Valley Habitat for Humanity and La Crosse Promise.

While at Chippewa Valley Habitat for Humanity, Aaron supported home building and repair initiatives, oversaw the volunteer program, helped launch the organization's first ReStore, and played a key role in developing their strategic plan.

At La Crosse Promise, he directed a Neighborhood Revitalization Program and led the Future Centers initiative, helping high school students prepare for success after graduation.

Most recently, Aaron served at the Family & Children's Center in Winona, Minnesota, as Program Supervisor for a new initiative supporting at-risk adolescents. The program focused on improving school attendance, strengthening caregiver-child relationships, and reducing negative behaviors.

In his free time, Aaron enjoys spending time with his wife and their two dogs, camping, fishing, grilling, reading, and being outdoors.

He was drawn to Interfaith Volunteers because of our mission to put faith into action by using gifts and talents to serve those in our communities. He is especially excited about working alongside dedicated local volunteers and supporting the many programs Interfaith offers.

Aaron looks forward to serving the residents of Jackson County and becoming an integral part of the Interfaith Volunteers team. He is also eager to connect with the local businesses, donors, and volunteers who make our work possible.

Please feel free to stop by the Interfaith office, call, or schedule a time to meet Aaron and introduce yourself!

A Note from Interfaith

Dear Friends and Neighbors of Jackson County,

We are excited to welcome you to the spring edition of the Interfaith Volunteers Connections newsletter. This is a space where faith meets compassion, and every day, people come together to make extraordinary changes in the lives of fellow Jackson County residents.

Thank you for taking the time to explore our Connections publication and learn more about our programs and services. Throughout this edition, you will find updates on our ongoing initiatives, upcoming event information, inspiring messages from our dedicated volunteers, meaningful testimonials from those we serve, and practical ways you can get involved.

Our volunteers remain the heart of Interfaith Volunteers. Because of their generosity and commitment, we are able to continue supporting seniors and neighbors throughout our community. Whether you are a long-time supporter or just discovering our mission, we are grateful you are here.

We are proud to be part of such a caring community and look forward to expanding our reach together in the months ahead.

Women In History

The Women in History program, in this area, began in 1996 to recognize and celebrate women who have demonstrated a positive impact in Jackson County, Wisconsin. This nomination process is organized through the annual induction ceremony, which was held on March 4, 2026 in the Interfaith Volunteers community room. It is proudly sponsored by the Aging and Disability Resource Center of Jackson County, Interfaith Volunteers, Black River Health, and the Jackson County Sheriff's Department. This is an event that is a true testament to the women that have made significant contributions to our community. Congratulations to our 2026 Women in History!

Forget Me Nots Memory Choir

Memory choirs are not just about singing; they are a powerful tool to preserve memories and improve brain function. The Spring Forget Me Nots Memory Choir is in full swing. We had our first Spring choir practice on February 17th and will meet weekly until our concert is given to the public on May 12, 2:00-3:00 PM, at the Interfaith building. Thank you to Vicky Emerson - Director, Kathy Boe - Piano Accompanist,

and Pat Carlson - Guitar Accompanist for this session. We are grateful to all of the volunteers and public that have joined us to make this a successful event.

At our Christmas finale on December 12th, 2025, approximately eighty people were in attendance, including the choir and visitors. We extend a special thank you to Joyce Moldenhauer who was our first piano accompanist. A great time was had by all!

Program Spotlight

Family Caregiver Support Group- Caregiver support groups are essential for emotional support, community connection, burnout prevention, and resource sharing. These groups play a crucial role in promoting healthy aging and ensuring that caregivers do not face their challenges alone.

Our support group meets on the third Tuesday of every month from 2:00-3:00 PM at the Interfaith building. Each month there is a topic for discussion but it is open to talking about other issues at hand. Attendees can be of any age who may be caring for someone with chronic illness. Sometimes you just need someone to talk to.

Advocacy Update

Aaron Czappa and Shawn Callisto attended an advocacy day at the state capital on February 3rd in support of Alzheimer's awareness, funding priorities, and new legislation that will positively impact individuals and their families in Wisconsin living with Alzheimer's. It was great to be a part of the proactive movement!

Breaking Bread: Strengthening Community Through Fellowship

Breaking Bread is a quarterly gathering hosted by Interfaith, bringing together church pastors and congregation representatives for connection. Each meeting offers a welcoming space for faith leaders to build relationships, discover new partners in ministry, and support one another as a united community while enjoying a meal together.

These gatherings are a meaningful opportunity for congregations to share their strengths, discuss challenges, and learn from one another.

Our next Breaking Bread event will take place April 14 at 12:00 p.m. We will welcome Dementia Specialist, Darby Rush, who will present Dementia Live, an experience designed to help participants better understand the daily challenges faced by individuals living with dementia. This session aims to deepen empathy and strengthen our ability to support those affected in our congregations and communities.

"Thank you for all the services, well-wishes etc. (May Day basket, Time for You wishes and prayers.) Everything helped me get through surgery and prior tests. It helped me to know all of you were with me."

THANK YOU FOR YOUR GENEROUS SUPPORT

Interfaith Volunteers relies on the generous support of communities throughout Jackson County to continue our mission of assisting older adults and individuals with disabilities. Without the dedication of our volunteers and the generosity of our donors, our work simply would not be possible.

Rather than sending individual thank-you letters, we use our newsletter as a meaningful way to recognize the many contributions we receive throughout the year. We are deeply honored when families choose Interfaith Volunteers for memorial gifts in remembrance of loved ones. We are also sincerely grateful for the many "in honor of" donations made to celebrate birthdays, anniversaries, and other joyful milestones.

Every effort is made to ensure that all donations received during this period are acknowledged. If your name has been inadvertently omitted, please accept our sincere apologies and contact our office so we may promptly update our records.

Your kindness and generosity make a lasting difference in the lives of those we serve. Thank you for being such an important part of our mission. **Donations included in this edition are from July 1 – December 31, 2025**

We extend a heartfelt THANK YOU to the following for their generous support.
