Storytime is Back!

On February 10th, we had a very special guest visit us once again -- Mr. Omar from the library!

He read us stories about the seasons, but more specifically, stories about the cold winter we are going through.

After reading us three different stories, Mr. Omar gave us a Valentine's Day Craft. We colored some adorable kittens that sat in a hot air balloon

On January 29th, we were joined for a fun filled morning with a group of juniors from Mount Carmel High School.

We started off the morning with creating some Valentine's Day Crafts and filling out some Valentine's Cards for our loved ones! After that, everyone danced to some music and played a game of "Musical Hearts." Then, we split up into two groups -- playing Bingo and also some rounds of bowling! To end our morning together, Josephine played the piano for all of us to enjoy.
