

## Balance Parent Observation Schedule

The students have made tremendous progress this semester! Please join your student during his/her regularly scheduled class on the following date. We will have chairs at the front of dance studios and offer additional seating in the gymnastics area. We ask that only 2 guests\* per student observe so that we have adequate seating. Please use one car per family. If the lot is full, you may park along the side of the building or in the lot next door at the new Chamblee City Hall. Stop by the front lobby on your way out for a special treat!

*\*Additional guests are welcome to observe another class in Dec. or Jan. through the studio windows or in the gym viewing area.*
