Announcing the Balance Dance Performance Group

News about the much-anticipated performance group is here! We're inviting currently enrolled dance students in grades 2 - 12 to learn about the performance group that will shine on stage 3 times in May and June.

Key Spring Semester Dates

Check out the [Balance Calendar](#) for the dates of spring break, the last day of classes in May, and more. Note: We will be open and have normal afternoon/evening classes on President's Day and Valentine's Day. **We will not be offering spring break camps.**

New Wall of Achievement

Developed by our coaching team, this new wall will recognize students once they have mastered certain skills – forward roll, cartwheel, roundoff, back handspring, and more! We look forward to watching the students accomplish their goals and gain pride as they receive recognition on the *Wall of Achievement*. Coaches will begin to assess students and add names to the wall in late February.

Gymnastics and Tumbling Make Ups

Our coaches are in the gym and ready to work with your child every class of the semester. We've asked them to put in some extra time on select Fridays to offer make-up classes. If you missed a class and would like to make it up, please do so via the Sign-Up Genius link below. Dance class make ups can be scheduled by emailing info@balanceatl.com.

Lost and Found

Items in the Lost and Found bin (located in the gym near the staff lounge) will be donated to charity at the end of the month. It's full of shoes, water bottles, and clothes - please claim what is yours. Thank you!
