

#1 Sustainable Bottled Water in a 100% Recyclable Aluminum Container

Who We Are

We're on a mission to make the future sustainable as the go-to bottled water that helps everyone break the addiction to single-use plastic bottled water. We're growing this revolution every day as consumer demand skyrockets for sustainable choices in bottled water packaging.

As the first 100% recyclable and refillable bottled water in a sturdy and lightweight aluminum bottle, PATH provides a sustainable solution to the single-use plastic water bottle crisis plaguing our planet today. PATH Still is ultra-purified water enhanced with electrolytes and a balanced pH of 7.5. Stay hydrated with this great choice that will please health, fitness and sustainability demands all in one refillable bottle.
