CBD Infused Tea

CBD Tea Blend	Health & Wellness Attributes	Flavor Profile & Composition
Buddha's Berry CBD Tea <i>*Contains Caffeine</i>	Green tea stimulates the mind while Tulsi supports a healthy immune system and empowers mental energy.	Center yourself with this harmonious blend of Green Tea, Tulsi (Holy Basil) and Blackberry Leaves. Our Buddha's Berry is one of our favorite blends, using some of the finest Spring Green tea and a tantalizingly refreshing three-blend of Indian Tulsi.
Chai Awakening CBD Tea <i>*Contains Caffeine</i>	CBD Chai Tea will help brighten mind & soul without excessive caffeine.	Crafted with simple ingredients like ginger, cinnamon, cardamom, cloves & nutmeg, each cup provides a deep, earthy, warm, and tantalizingly exotic chai. A touch of vanilla rounds out each sip with light sweetness guaranteed to delight!
Cosmic Cleanse CBD Tea <i>Caffeine Free</i>	Cleansing Inside & Out Align spirit and body with this immune-boosting CBD tea tonic.	Cleansing Inside & Out Elevate yourself, starting with body and peaking with mind & spirit. Crafted with antioxidant-rich Rooibos, stomach-soothing Licorice root, skin & gut supporting Marshmallow root, the powerful Astragalus, and much more, our Cosmic Cleanse is brewed for a better you. Gentle, naturally sweet & slightly nutty, this blend is easy to drink & impossible not to love.

CBD Capsules

CBD Infused Licorice & Ginger Capsule

Support Healthy Digestion with Ginger CBD

Healthy digestion is the key to great health. It's more than just avoiding stomach pains – it's the gateway for nutrients to enter the body. Combining licorice, ginger root, peppermint, and fennel, our Digest Well capsules focus on settling the stomach, supporting a healthy immune system, and even relieving the body of occasional aches and pains — all in one capsule.

CBD Infused Spirulina & Wheatgrass Capsule

Greens Focused on Supporting a Healthy Immune System + Healthy Energy

Spirulina is one of the most super super-foods in the world. This blend of Spirulina, Chlorella, and Wheatgrass takes it to the next level. This combination is full spectrum, non-toxic, and packed with absorbable nutrients & compounds. Combined with local & lab-tested CBD for a powerful daily health ally.

CBD Wild Reishi, Chaga & Cordyceps

A Vitality Inspired Mix of Mushroom & Hemp

Draw strength from Mother Earth with this fusion of nutrient-rich fungi. CBD meets Reishi, Wild Chaga, Cordyceps, and seven other mushrooms in a blend that focuses on the health benefits of mushrooms.

CBD Catalog

CBD Capsules

CBD Infused Orange, Grapefruit & Elderberry

Power Up with Whole Spectrum Citrus &
Elderberry + CBD

Optimize your day with this medley of full spectrum nutrition. Combining flavonoid, vitamin C, and phytochemical-rich citrus peels with antioxidant-rich Elderberry and USDA Organic Hemp, Super Citrus supports a healthy immune system and provides a powerful nutritional boost.

CBD Infused Activated Charcoal, Dandelion & Chaga Capsule

A Detox Inspired Blend of Charcoal, Dandelion &
Chaga Mushroom

Activated Charcoal has been used for detoxification for thousands of years.

We've combined this with Wild Chaga, often used in natural & folk medicine. Each serving also includes Dandelion root, used for nutritional value and antioxidant content. Our Cleanse capsule is meant to settle the soul and offer a simple, natural way to inspire a better you inside and out.

CBD Infused Garlic, Butcher's Broom & Birch Bark

Supports Healthy Blood Flow & Circulation

Blood Flow is designed around supporting healthy veins, heart health & blood flow. Made with simple ingredients, including organic, locally sourced Garlic Powder, Birch Box (used for centuries in herbal medicine), and Butcher's Broom, the roots of a low evergreen Eurasian shrub sometimes eaten in a similar fashion to asparagus for blood flow support.
