Education and Qualifications:

As a current parent of FUHSD and CUSD students and a leader for over a decade, I am committed to further strengthening our exceptional schools. With a deep commitment to excellence in our schools, I will help ensure that FUHSD: 1) develops strong academic and critical thinking for our students; 2) allocates resources based on student success; 3) provides tools and support for teachers to excel in delivering instruction; and 4) encourage parent engagement for student success.

Service as PTA president, VP, and in other roles from elementary school to high school, has prepared me to advocate effectively for educators, students, and families. Holding a Master's Degree in Accounting, Management, and Economics, I understand the realities of working with limited resources and will ensure that every dollar of taxpayer money is well spent.

Besides my education and my proven track record of success in leading educational excellence, I am a proud Sunnyvale resident who has led both Girls Scouts and Boys Scouts leader coached for Sunnyvale and Cupertino sports leagues. I look forward to working together with our community to secure quality education for All our students.
