**Helping Our
FAMILIES**

Because of you, Hope is Becoming a Reality

Dear Friend,

Every day, we meet mothers who are doing everything they can to build a better life for their children. They are working, studying, and persevering through challenges most of us will never see.

And because of you, they are not walking alone. Your generosity is providing stability in moments of crisis, encouragement in moments of doubt, and hope in moments when it matters most. We want to share what you have made possible.

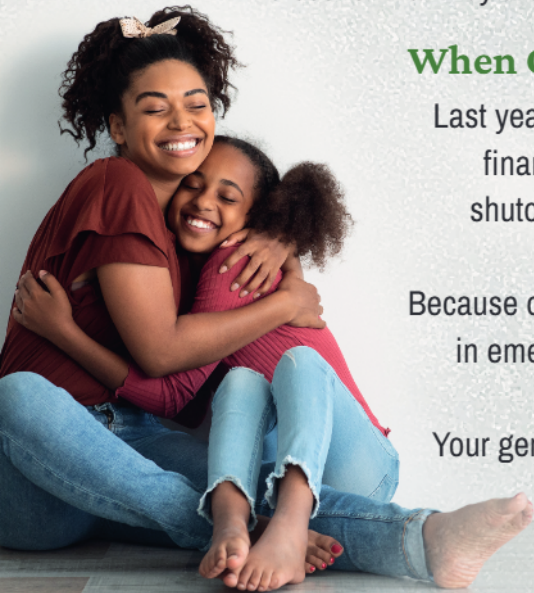

A Child Gains Confidence. A Future Changes.

This fall, **25 children** walked into our Learning Lab carrying more than backpacks—they carried uncertainty, frustration, and gaps in learning that made school feel overwhelming. But week by week, something beautiful began to happen. With individualized support and caring mentors, students began raising their hands. They began reading with confidence.

They began believing in themselves. Your support is helping children discover that they are capable, valued, and full of promise.

When Crisis Comes, You Are There

Last year, **29 families** faced moments of urgent financial crisis—risking housing loss, utility shutoffs, or instability that could have lasting consequences for their children. Because of you, we were able to provide **\$23,977** in emergency support, protecting **88 mothers** and children from deeper hardship. Your generosity didn't just pay a bill. It provided peace of mind. It provided stability. It provided hope.

A Mother Moves Forward

One mother in our mentoring program recently began a full-time job while continuing her college education to enter the healthcare field. She is working toward a career that will allow her to fully support her family.

Another mother, now safely housed, is pursuing a counseling degree so she can help others one day. These milestones represent more than personal success. They represent generational change. And you are part of that story. Through your support, mothers are gaining confidence, stability, and the ability to create brighter futures for their children.

You Have Created Moments of Joy

Over the past six years, your support has helped provide Christmas for **1,100+ mothers and children, including 133 served** in 2025, through our Adopt-A-Family program. For many families, it was the first time they felt seen, supported, and remembered during the holidays. These moments remind families that they are not alone.

Looking Ahead: In Stride 5K Challenge

On **April 26, 2026**, our community will come together for the In Stride 5K Challenge to support families on their journey toward stability and independence. Your continued partnership makes these life-changing programs possible.
