THE BRIDGE PROGRAM

Helping single mother families achieve family unit independence through five Pillars of Success:

- **Continuing Education** – High school diploma or GED, Parenting skills, entrepreneurship
- **Job Training** – On-site vocational training, as well as partnership with County Jobs and Family Services
- **Psychological Support** – Develop positive mindset, discover inherent abilities, work through challenges/trauma
- **Healthy Lifestyle** – Develop an attitude to eat, live, and think in a healthy manner
- **Spiritual Guidance** – Designed to help residents recognize that all things are possible through Jesus Christ

October 9, 2019

Single-parent households headed by a female is the fastest growing demographic in the US. One-third of Ohio's single-mother households are in poverty. Every day single-mothers and their children are going without basic needs because they don't have financial resources, social support or hope they need to thrive.

In 2016, of families headed by single mothers;

- More than 1/3 lived in poverty
- 1/3 were food insecure and 1/7 used food pantries
- 1/3 spent more than half their income on housing

Helping Our Families (HOF) exists to change these circumstances by empowering families with educational tools, emotional support, spiritual guidance, and resources to support a healthy lifestyle. Through HOF, families are self-sufficiently functioning and joyfully contributing to the well being of their community.

On November 23 we kick-off our Capital Campaign with our **Helping Our Families Benefit Concert**.

Our goal is to raise \$1,000,000 to;

- **PROVIDE** for client needs with a new, safe environment through a 2-year residence program, healthy meals, and psychological/emotional support;
- **PREPARE** them for the future through job training, education, life skills, healthy lifestyle, and child development; and lastly,
- **PROPEL** the next generation for prosperity.

We are seeking partners looking for an opportunity to impact generational change in our community. Please consider choosing a sponsorship level outlined on the attached document.

Sincerely,

Krista Mainess
