Subject: LOKPRESS Mini Kit (L14004391) Warranty and Service

Dear Valued Customer,

All information for LOKPRESS Mini Kit (L14004391) Warranty and Service is as follows:

The LOKPRESS Mini Kit carries a 2-year warranty.

There are two repair centers that may be contacted in the event of a warranty claim or services required. At such time, each part will be individually assessed, and an estimate of cost will be created and sent to the customer. It is recommended to have your tool serviced every 2 years, or 10,000 connections made.
