

Run, Mary, run [Go to Tell the Crew]

[Intro]

Run Mary run, the stone rolled away
Sun broke the tomb at break of day

[Verse 1]

She came weepin' in the mornin' dew
Empty grave, no body in view
Angels said, "He's not here no more"
Risen up, just like before

[Chorus]

Run Mary run, go tell the crew
He's alive, what He said is true
Run Mary run, don't you delay
Gone to Galilee, He leads the way

[Verse 2]

Her hands were shakin', eyes wide with awe
She ran with fire, she knew what she saw
"Tell Peter, James, and the rest," they cried
The Lord is risen, death has died

[Chorus]

Run Mary run, go tell the crew
He's alive, what He said is true
Run Mary run, don't you delay
Gone to Galilee, He leads the way

[Bridge]

She saw the stone, saw the light
He called her name in morning bright
No fear left, no more doubt
She ran to let the word ring out

[Chorus]

Run Mary run, go tell the crew
He's alive, what He said is true
Run Mary run, don't you delay
Gone to Galilee, He leads the way

[Outro]

(Gone to Galilee)
(He walks ahead of me)

(Oh, He's alive, He's alive)
