

God's Word is Health

There is supernatural help for people with incurable diseases. Mixing believing with God's Word by speaking it out of your mouth is a means of applying God's medicine. It's up to the individual as to whether or not they have the confidence to take God's medicine on a regular basis. How to apply principles from God's Word to obtain healing is the purpose of this practical information. Many today seek healing but yet they talk sickness and suffering until they establish that image in them. Their thoughts and words produce a vivid blueprint and they live within the bounds and limitations of that blueprint. We are going to make our blueprint line up with the Word of God. Our words are building blocks of which we construct our life and future. Our words set the cornerstones of our lives, and we live within the confines of that boundary we make with our own words. Situations, circumstances and conditions are all subject to change, but with the support of our words we can establish them in our lives. People that have an image of themselves being in poor health will talk about poor health. They seem to live out the reality of the image they have of themselves even unto death.

Proverbs 18:21 *Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.*

What you believe and speak not only affects your body but your immune system as well. Your words become either a blessing or a curse to you.

The words we speak are vital to our health and well-being. There are some diseases that will never be cured unless people learn to speak the language of health that the body understands. God's Word is infused into us by giving voice to His Word with our own mouths, and this is the language of health to our bodies. A continual affirmation of God's Word in believing will build into our immune systems the capability of eliminating sickness and disease.

Medical science aids healing through physical means by administering medicine into the physical body. God's Divine Healing is Spiritual. God created man's body to live forever but sin brought the curse of sickness and death. The human body has an inherent ability to heal itself. Some sickness is caused by a chemical imbalance and the part of the brain that controls speech also controls the secretion of chemicals to the body. This sheds more light in the following verse:

Mark 11:23 *For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.*

John 15:7 *If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.*

God's Word is spoken of in Proverbs 4:22 as being medicine to all our flesh. It is the most powerful medicine available today, and it is capable of healing your body without side effects.

Your believing frames your world daily. When you speak God's Word from your heart, then believing gives substance to the promises of God. In Genesis chapter one God spoke, creation took place! Words are the carriers of believing. The worlds were framed by the Word of God.

Hebrews 11:3 *Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.*

Without words there wouldn't have been creation (Genesis chapter one). Your words make IMAGES and eventually you will live out the reality of that image. Every time you speak your belief, it forms a stronger image inside you. If it is healing you desire, the healing image is made in your mind and supported by God's Word, then your continual affirmation and agreement infuses life in you by believing God's promises:

John 6:63 *It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.*

Psalms 107:20 *He sent his word, and healed them, and delivered them from their destructions.*

According to Isaiah 53:5, 6 and I Peter 2:24, healing is a fact as far as God is concerned. It belongs to us because healing was in the price paid from God's only begotten son.

God considers it DONE, not maybe. God is no respecter of persons, but He does require believing His Word.

Hebrew 11:1 *Believing is the substance (title deed) of things hoped (desired, prayed) for, the evidence that they are yours before they are seen.*

It is the principle of BELIEVING AND CALLING FOR THINGS THAT ARE NOT YET MANIFEST.

Romans 4:17b *..... calleth those things which be not as though they were.*

The following principle is the key to us being a partaker of God's provisions concerning healing. No other principle is more important to your healing and health than the CALLING OF THINGS THAT ARE NOT.

The Apostle Paul gives insight into this principle. God uses spiritual forces which are not seen to nullify natural things that are seen. This is the principle of calling things that are not as though they were. You are calling for what God already provided. You are establishing what God has said to be true concerning healing even though it is not yet a reality in your body. You don't deny that sickness exists, but you deny its right to exist in your body.

Mark 9:23 *Jesus said unto him, If thou canst believe, all things are possible to him that believeth.*

Luke 17:6 *And the Lord said, if ye had faith as a grain of mustard seed, ye might say unto this sycamore tree, Be thou plucked up by the root, and be thou planted in the sea; and it should obey you.*

Romans 8:11 *But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.*
