

## THE OFFICIAL NEWSLETTER OF ACTION SPORTS BAY AREA

Hello ASBA parents,

Thank you for supporting Action Sports Bay Area. We hope your child is having a great time with us.

### December's sport = Kickball

**Interesting fact:** Kickball was originally called Kick Baseball and was invented in Ohio as early as 1917. For me coming from the UK, it was not something I had ever heard of until about a year ago when a friend asked me if I'd play on her team, it's safe to say I loved I was hooked!
