### Coach of the Month

Coach Jules' favorite sport is Hockey!

The sport piqued her interest at a young age. By age 20, she finally strapped on the skates and played goalie for fun with family and friends.

What she loves most about coaching is the joy and smile it brings to children. The excitement they have when they arrive and seeing them have fun makes her happy.

One of her hobbies is drumming!

But what she does for fun is spending time with her two boys and husband.

Something that is unique for her is that she tends to spend a lot of time playing trivia or watching trivia games.
