

Moving In Checklist

Pre-Move/Planning

- ☐ Schedule movers or rental truck
- ☐ Set up or transfer utilities
- ☐ Change locks and garage door codes
- ☐ Update mailing address (bank, BMV, subscriptions)

First Day Essentials

- ☐ Test smoke and carbon detectors
- ☐ Check HVAC system and replace filters if needed
- ☐ Inspection for immediate repairs
- ☐ Make beds and set up essential living areas (kitchen, bathrooms)

Settling In (First Week)

- ☐ Unpack essentials first (kitchen, bathroom, bedroom items)
- ☐ Connect utilities
- ☐ Locate main water shut-off and electrical breaker panel
- ☐ Deep clean rooms before unpacking
- ☐ Introduce yourself to neighbors and explore the area

Ongoing/Maintenance

- ☐ Schedule any planned home improvements or upgrades
- ☐ Organize storage spaces (closets, garage, basement)
- ☐ Set up home security

Moving in is exciting but busy! This phased checklist helps you prioritize tasks so you can settle into your new home smoothly.
