

“Devil’s Guns” by Slim Vampire © 2025

My kids never got to see freedom (3x)
like I saw. But they got to see their daddy, daddy run, run, run from the law

Pre-Chorus

Aw, what can you do? — fight or run (3x)
run, run
When the man with the badge is carryin’ the devil’s guns
When the man with the badge is carryin’ the devil’s guns

Verse 2

There were men in masks with tear-gas guns (2x)
They’re takin’ more and more every time I look
And the freedoms I took for granted
They’re all headed for the history books
I hoped my kids would see them
But that’s not likely in their neighborhood

Chorus

It’s silence or death when there’s nowhere left to run
When the man with the badge is carryin’ the devil’s guns (2x)

Verse 3

My kids always learned “respect the law” (3x)
of the land”
Then they got to see their daddy daddy run run run from the man

Pre-Chorus (repeat)

Bridge (new variation)

Soon they won’t even hide their faces (2x)
They’ll be proud of how tyranny looks.
And the freedoms our soldiers died for
Will be buried in the history books.
I hoped my kids would see freedom
But that’s a ghost in their neighborhood

Chorus

Outro: I’ll keep runnin’ till there’s no reason to sing this song.
Yeah, I’ll keep runnin’ til there’s no reason to sing this song
I’ll keep runnin’ till the devil’s guns are gone (4x)
