

Hope's Animal Kingdom Cat Rescue

Agreement to Adopt

Hope's Animal Kingdom Cat Rescue (the Rescue) offers animal adoptions without guarantees regarding the animal's health, behavior, or history. Adopters receive information gathered during the animal's time at the Rescue.

By adopting an animal from Hope's Animal Kingdom Cat Rescue (the "Rescue"), I, the adopter, acknowledge the following:

Adoption Terms

The Rescue provides no warranties regarding the animal's health, behavior, or temperament, especially considering its unknown history as an abandoned, stray, or relinquished animal. Once the animal is adopted, all subsequent needs are the responsibility of the adopter.

The adopter accepts the inherent risks associated with adopting such an animal.

The adopter will receive any information the Rescue has gathered about the animal during its time in their care.

The sole recourse for the adopter, if dissatisfied, is to immediately return the animal to the Rescue.

The adopter commits to providing responsible pet ownership, including proper care, nutrition, shelter, and veterinary treatment to ensure a happy, healthy life for the pet.

Release of Liability and Indemnity

The adopter, and their heirs and representatives, will not sue the Rescue or its associates, volunteers, agents, and officers for any liability arising from the adoption or the animal's behavior.

The adopter releases the Rescue from liability for any bodily injury, personal injury, illness, amputation, scarring, death, property damage, or other loss resulting from the adoption or the animal's actions.

The adopter agrees to indemnify and hold the Rescue harmless from any claims, lawsuits, or expenses (including legal fees) resulting from the adoption or the animal's behavior.

This agreement is a binding legal contract between the adopter and the Rescue
