## With an interest in civics.

I married my husband, Mark, in 1998, and we raised our son in Bellevue. I grew up in Two Creeks and have lived in Brown County since 1991, calling Bellevue home since 2001.

I earned a degree in Business Administration from UW-Green Bay. I spent 20 years as a business owner in financial services. I later continued work in legal and compliance roles until retiring in 2021.

Community service has been a consistent part of my life in Bellevue.

- **Current service:** Village Trustee, Election Inspector, Ethics Board member, Friends of Bellevue Parks
- **Past service:** Economic Development Advisory Board, Bellevue Business & Professional Association officer and board member

## Value Centered Goals

### A continued choice for office.

I am running for a third 2-year term to continue making policy decisions that act in Bellevue's best interest for the long haul. In my 4 years as Village Trustee I have worked on:

- Long-term planning and infrastructure funding
- Roads, traffic safety, and stormwater improvements
- Parks, housing choices, and zoning updates
- Fiscal responsibility and budget decisions

### A focus on Bellevue.

#### LONG-RANGE FOCUS:

Deliberate choices for infrastructure investments and pavement management to shape the community.

#### MID-RANGE FOCUS:

Create and expand parks, walkways, and trails, to enhance the quality of life of residents.

#### SHORT-RANGE FOCUS:

Enhance digital strategies to safeguard continuity during increased volumes or in times of crisis.

### A view of Bellevue.

Bellevue offers the goods, services, and jobs that support residents through every stage of life. It is a community where green spaces, neighborhoods, and local businesses support growth and daily life.

## Guiding the Community

### A promise to community.

I will serve the community with your shared perspective as a resident, taxpayer, and property owner.

I will focus to advance the collective decision-making body of the village board and empower village staff to execute the vision.

I will embrace holding a public office as an act of service to all Bellevue residents.

**Vote April 7 to Re-Elect**  
**JACKIE KRULL**  
**for Bellevue**  
**VILLAGE TRUSTEE**
