

MADRA
MID ATLANTIC DISASTER RECOVERY ASSOCIATION

MADRA's March 2021 Virtual Meeting with CISA Cybersecurity Advisor Benjamin Gilbert CISSP, CRISC, CEH

Washington, DC - Mid Atlantic Disaster Recovery Association

Please join us for MADRA's virtual meeting on Thursday, March 18, 2021 from 12:00 – 1:00 PM. The meeting will be held virtually via Zoom. Registrants will receive log in information.

WHEN: Thursday, March 18, 2021 12:00 PM- 1:00 PM (Virtual)

ABOUT THE MEETING:

The Cybersecurity and Infrastructure Security Agency (CISA) and its Mission in Keeping our National Cyber Infrastructure Safe – Benjamin Gilbert CISSP, CRISC, CEH

The Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (CISA) is the Nation's risk advisor, working with partners to defend against today's threats and collaborating to build more secure and resilient infrastructure for the future. Mr. Gilbert will provide information on CISA and its role in not only keeping our Federal cyber infrastructure safe, but it wealth of resources and information for every citizen. He will discuss the changing cyber threat landscape and show the reality of sophisticated attacks to our information and systems.

GUEST PRESENTER:

Benjamin Gilbert CISSP, CRISC, CEH

Mr. Gilbert serves as a Cybersecurity Advisor in the Department of Homeland Security's Cybersecurity and Infrastructure Security Agency(CISA). He supports the Cybersecurity Advisor (CSA) program, the region and CISA's mission through the goal of strengthening the security, reliability and resilience of the Nation's critical cyber infrastructure and serves in this role across the states of Virginia and West Virginia, as well as the District of Columbia.

As a CSA, Mr. Gilbert conducts various cyber preparedness, risk mitigation and incident response coordination activities through public and private partnerships and outreach efforts across the region. Prior to this appointment, Mr. Gilbert had served as a senior analyst with the CSA program's headquarters where he led the development of various tools used by the CSA program to measure and strengthen the cybersecurity management capabilities of critical infrastructure organizations.

Mr. Gilbert has been with CISA, and the Department of Homeland Security for over 10 years and has over 16 years of experience in cybersecurity spanning the commercial, federal civilian, and DoD communities. He currently holds the Certified Information Systems Security Professional (CISSP) certification, the Certified in Risk and Information Systems Control (CRISC) certification, the Certified Ethical Hacker (CEH) certification.

RSVP: Please RSVP directly to MADRA at our website <https://madra.org/meeting-registration>. We understand that schedules change. If you cannot make the meeting, please let us know as soon as possible by email to info@madra.org.

ABOUT MADRA:

Since 1989, MADRA has provided a forum for the Mid-Atlantic's Business Continuity Planners (BCP), Continuity of Operations Professionals (COOP), Emergency Management, and the Disaster Recovery (DR) community to improve their skills through networking and education. As the region's oldest independent networking group, MADRA is dedicated to ensuring that people and organizations are better prepared to manage any type of disaster or emergency event. MADRA's meetings are free. Bring a friend or co-worker. If you think the experience is worthwhile, we ask that you support us with an annual donation of \$50, which is used to support our 501(C) 3 non-profit educational association. Please click [HERE](#) to donate to MADRA.

NOTE: Attending MADRA meetings allow you to obtain 4 Continuing Education Credits for your certification! Click [HERE](#) for more information.
