

MADRA is run by an all volunteer group called an Executive Committee. This group meets monthly to plan the six informational meetings held each year, formulate the newsletter, and manage and perform the activities that are required to run an IRS 501C(3), nonprofit, charitable, educational association.

We are always looking for members for the Executive Committee. If you are interested and willing to commit the time, contact any one of the current committee officers/members or contact us at info@madra.org.
