**December 2020**

2020 is coming to a close and we are hoping to get back to some semblance of normal in 2021. It's been said that if 2020 was a hula hoop it would look like this:

**Our December meeting will be on Thursday, December 10<sup>th</sup> at 12:30 at the Bacall Recreation Center.** We hope to see you there. We had 19 members in our November meeting and I believe everyone was comfortable with the setup.

Appropriate guidelines will be followed for your safety, and the room is set up for social distancing and disinfected prior to our use. Wear a mask if you are more comfortable (you will need one to enter the facility). Once seated you will be socially distanced, and not need a mask if desired. If you are still not comfortable in meeting we understand and hope to see you soon.
