

# Becoming a Founding City

## What It Means to Say “Yes”

HazMap.ai is launching the next chapter in firefighter decision-making: spatially aware, AI-assisted tactical intelligence.

As a Founding City, you're not just an early adopter. You're helping shape the future of fireground clarity.

## What Your Department Receives

- Full access to HazMap.ai for up to 12 months at no cost
- Priority onboarding and training for key personnel
- Influence on future features through direct feedback loops
- Recognition as a Founding City on our website, media, and materials
- Lifetime legacy pricing after launch

## What We Ask of You

- Access to limited, non-sensitive inspection and fireground data (e.g. structure footprints, hazard inventory)
- Willingness to participate in feedback loop
- Two dedicated contacts for coordination
- Permission to publicly name the department as a pilot site

## Timeline (Estimated)

### Stages

Commitment

Onboarding, setup and full access granted

First live usage

Initial feedback loop + use case stories

Your role will be recognized in our reports, website, and presentations

### Timing

June-July 2025

August-October 2025

November 2025

December 2025

January 2025

## Ready to Help Us Build The Future of Firefighter Clarity?

We'll provide a simple Letter of Interest. No payment is required.
