

Esports Collegiate Fall 2021 Rocket League Season Official Rules

1. Introduction and Acceptance

1.1 Introduction

These Esports Collegiate (ESC) Fall 2021 Rocket League Season (“Rules”) govern all regional tournament stages of the Esports Collegiate (“ESC”) Fall 2021 Rocket League Season (“Tournament”), sponsored by Esports Collegiate (“ESC”).

These Rules have been designed to ensure the integrity of competitive play of Rocket League (the “Game”) in connection with the Tournament and are intended to promote vigorous competition and to help ensure that all competitive play of the Game is fun, fair, and free from Toxic Behavior (as defined below).

These Rules may be translated into other languages. In the event of any conflict or inconsistency between any translated version of these Rules and the English version of these rules, the English version shall prevail, govern and control. Entry into this Tournament does not constitute entry into any other tournament, competition, contest, or sweepstakes.

1.2 Acceptance

To participate in the Tournament, each player must agree (or, if under 18 years of age or the age of majority as defined in such player’s country of residence (a “Minor”), such

player's parent or legal guardian must agree on such player's behalf) to follow these Rules at all times, including the Code of Conduct in Section 7 ("Player"). A Player (or, if a Minor, such Player's parent or legal guardian) must accept these Rules as part of the Tournament registration form, available at smash.gg. By participating in any game or match that is part of the Tournament, a Player is confirming that he or she (or, if a Minor, his or her parent or legal guardian) has accepted these Rules pursuant to this Section 1.2, including, but not limited to, the eligibility restrictions set forth in Section 5.

1.3 Enforcement

Esports Collegiate ("ESC") will have primary responsibility for enforcing these Rules for all Players and may, working with the Tournament Administrators (as defined below), hand out penalties to Players for violations of these Rules, as further described in Section 8.

1.4 Amendments

ESC may update, revise, change, or modify these Rules from time to time. For each Player, his or her participation in the Tournament after any update, revision, change, or modification to these Rules will be deemed accepted by such Player (or, if a Minor, such Player's parent or legal guardian) of these Rules as updated, revised, changed, or modified.

2. Tournament Structure

2.1 Definition of Terms

- "Best-of-X": means a Match that has X number of Games, and the Team that wins a majority of the Games is declared the winner. Once a Team wins the number of

Games needed to reach the requisite majority, then that Team will be declared the winner of the Match, and any Games that have not been played at that point will not be played. For example, in a Best-of-Three Match, once a Team wins two Games, that Team will immediately be declared the winner of that Match.

- “Broadcasted Match”: means any Match that appears on an official event broadcast. Teams will be notified if their Match is a Broadcasted Match by a Tournament Administrator.
- “College”: means a 2 year educational institution designed for instruction, examination, or both, of students in many branches of advanced learning, conferring degrees in various faculties.
- “Conference”: means a collection of Colleges or Universities.
- “Eligibility Area”: means United States
- “Game”: means a single competition between two Teams. For example, a Game is a single 5 minute running time plus overtime if necessary. It takes multiple games to play a best of X Match

- “Non-Broadcasted Match”: means any Match that will not appear on an official event broadcast. Teams should assume that their Matches are Non-Broadcasted Matches unless otherwise informed by a Tournament Administrator.
- “Registration Website”: means the website <https://efuse.gg/o/esc-fall-rl> or any subsequent URL which may replace it from time to time.
- “Rules Website”: means the website <https://esports-collegiate.com/> or any subsequent URL which may replace it from time to time.
- “Team”: means a group of Players who compete in the Tournament together as a unit. A description of Team requirements is provided in Section 6.

As set forth more fully in Section 2.3, the Tournament consists of three Tournament Stages: Registration, League Play, and Championship.

The schedule that corresponds to each Tournament Stage is outlined in this Section (such period referred to herein as the “Tournament Period”).

2.2.1 Key Dates

- Oct. 13 - 7 PM EST & 8 PM EST
- Oct. 20 - 7 PM EST & 8 PM EST

2.2.3 Rescheduling

ESC may, in its sole discretion, reorder the schedule and/or change the date for any Match or session of the Tournament (or change any Game mode to be played in connection therewith). However, if the Tournament schedule is so modified, ESC will inform all Players at its earliest convenience.

2.3 Tournament Stages and Format

2.3.1 League Play

“League Play” is a Round Robin with the fourteen invited Teams. The Teams will play one Best-of-Five Match against every other Team in their Division. Rankings will be determined by comparing the total number of Match wins earned by a Team during the League Play. If a Team is disqualified from a Match by ESC and/or the Tournament Administrator, the Match will be recorded as a 3-0 win in favor of the opposing Team.

2.3.2 Championship

The top four ranked Teams from League Play will compete in the Championship. The Championship is a single elimination bracket (“Single Elimination Bracket”) with Best-of-Seven Matches. Teams will be seeded from first through fourth based on how they performed in League Play. The Single Elimination Bracket for the Championship will proceed as follows:

- Match 1 - The first and fourth seeded Teams will play each other. The loser of this Match will tie for 3rd/4th place and be eliminated from this event.
- Match 2 - The second and third seeded Teams will play each other. The loser of this Match will tie for 3rd/4th place and be eliminated from this event.
- Match 3 - The winner of Match 1 will play the winner of Match 2. The winner of this Match will be the Tournament Champion. The loser of this Match will place 2nd.

2.4 Tiebreakers

If two or more Teams within League Play achieve the same number of Match wins, resulting in a tie, the tie(s) will be resolved by applying the tiebreaking mechanisms listed below (I-V), in order of application. All calculations involve only Games from the Tournament, as applicable.

- I. Head to Head: Game Differential in Games between tied Teams.
- II. Overall Game Differential: The total number of Games won by a Team minus the total number of Games lost by such Team (“Game Differential”).
- III. Game Differential Against Common Opponents: Calculate the Game Differential for tied Teams against the highest ranked team that is not a tied Team (“Included Teams”). If still tied, then the same process will be used, but will also include the second highest ranked Team outside of the tied Team, then the third highest ranked Team outside of the tied Team and so forth.
- IV. Highest Goal Differential in Games between tied Teams: The total goals scored by a Team minus the total goals allowed by such Team (“Goal Differential”). Calculate the Goal Differential for the Included Teams. If still tied, then the same process will be used, but will also include the second highest ranked Team outside of the tied Team, then the third highest ranked Team outside of the tied Team and so forth.

- V. Unresolved Tie: If none of the tiebreakers can resolve the tie, then the Teams will draw lots (method to be determined at the sole discretion of ESC and the Tournament Administrators). If any step resolves the tie for one or more Teams but not all Teams, a new tie will be declared between the remaining tied Teams. This tie will be resolved using the same tiebreaking mechanisms listed above.

The higher seeded Team will be responsible for hosting the Match by creating a private game lobby and communicating the game lobby name and password to the lower seeded Team. The lower seeded Team will join the game lobby. In the event that a Match is scheduled to be on an official stream, a Tournament Administrator will host the Match and provide game lobby name and password to the competing Teams.

3.2.2 Re-Hosts

Between Games in a Match, Teams may request that the Match be re-hosted on the same server region due to connection issues. In all stages except Open Qualifiers and Play-Ins, Teams may mutually agree to cancel the current Game of the Match and re-host the Match with approval from Tournament Administrators. Tournament Administrators reserve the right to suspend and invalidate the current Game of the Match for a re-host at any time.

3.2.3 Servers

“US-East” will be the default server unless both Teams agree to play on “US-West.”

3.2.4 Game Start

Players may not join their designated side until three Players from each Team have joined the Game.

3.2.5 Substitutions

A “Substitution” is defined as changing the Player line-up after a Match has started. Substitutions may only occur in between Games in a Match, and Teams are limited to one Substitution per Match. Substitutions are not allowed during Open Qualifiers and Play-Ins except in the event of a disconnect.

Teams are allowed one substitute player.

Substitutes must be registered to the team during Open Qualifiers.

3.2.6 Reporting Scores

During Open Qualifiers and Play-Ins, after a Match is completed, the winning Team must submit the Match result on Smash.gg. The losing Team must also confirm the Match result. During all other stages, after a Match is completed, the winning Team must submit the Match result on Smash.gg and report the results to the Tournament Administrators in the designated chat room. Taking a screenshot of the results screen or saving the replay of the Match is strongly recommended in case of disputed results. If a Team disputes a Match claiming a win and submits proof of its claim, the other Team must submit proof of its claim to avoid an automatic forfeit of the Match. Any Teams or Players found to be submitting false or doctored results will be permanently banned from the Tournament and future tournaments.

3.2.7 Guest Accounts

Players may not compete using guest accounts. All participants must have a unique and valid account from the platform being used to compete in the tournament. Valid accounts include: Epic Account (as defined below), Steam, Microsoft® Account, Nintendo Account, or PlayStation™ Network ID, and appropriate access levels to Epic

Games Store, Steam, Xbox Live™, Nintendo™ Network, or the PlayStation™ Network as applicable.

3.2.8 Observers

In-game observers are not allowed except for Tournament Administrators and their designees.

3.2.9 Bugs and Glitches

In the event of a bug or glitch that affects gameplay, the full Match should be played out. If a Team calls for a rematch due to the bug or glitch, it must save the replay and submit it to the Tournament Administrators for review.

3.3 Team Rosters

3.3.1 Team Captains

Each Team must declare one member of its roster to be the “Team Captain” who represents the Team for all official decisions and serves as the main point of contact for the Team.

3.3.2 Rosters

Teams may only use Players who are on their roster for a Match. Rosters must contain a minimum of three Players and up to two designated reserve Players who may be used as an alternate (the “Designated Reserve Players”). Rosters may also include a manager who does not play in Tournament Matches. An individual may not simultaneously be part of more than one roster competing in this tournament at a time. Rosters will be locked after the Registration period has ended, teams will not be permitted to add or swap players after Registration has ended.

3.3.3 Roster Submission

Starting rosters for each Match must be submitted to Tournament Administrators at least 24-hours before the applicable Match.

3.3.4 Player or Team Names

Players or Teams may not change their Usernames, in-Game names, or Team Names without approval from Tournament Administrators. All such names must comply with these Rules and Tournament Administrators may request that they be changed at any time. A roster shall not contain duplicates of the same name, names that consist only of symbols, or names that are difficult to distinguish from one another.

3.4 Match Obligations

3.4.1 Punctuality

All Teams must have three Players in the online Match lobby and in the designated chatroom by the Match start time. Teams that do not have three Players ready to play after ten minutes of the Match start time are subject to penalties including a possible Match forfeiture.

3.4.2 Forfeits

Teams may not voluntarily forfeit a Match without prior authorization from Tournament Administrators and, even with authorization, are subject to further penalties for forfeiting.

3.4.3 Communications

Teams will communicate with their opponents and Tournament Administrators in a designated chatroom during all online stages of the Tournament.

3.5 Match Disruptions

3.5.1 Disconnects

3.5.1.1 Non-Broadcasted Matches

During all Non-Broadcasted Matches, a Game must be restarted if a Player disconnects within the first minute and no goals have been scored. If a Player disconnects from a Game after the first minute or after the first goal has been scored, the current Game must be played to completion and the disconnected Player should attempt to rejoin as

soon as possible. Any Team that leaves a Game following a Player disconnection, unless specifically provided for above, may forfeit the current Game, or Match, at the discretion of the Tournament Administrator.

After a disconnect, if the Player cannot rejoin during the same Game, the Player will have five minutes to rejoin before the next Game of the Match begins. If the disconnected Player is unable to join the Game prior to the next Game in the Match, the Player's Team may substitute another Player from their roster.

A Game can be restarted if a Player experiences network issues within the first minute and no goals have been scored. In this case, Teams may agree to restart and/or switch the server if connectivity issues significantly hinder gameplay.

3.5.1.2 Broadcasted Matches

If a disconnect occurs during a Broadcasted Match, the shorthanded Team will immediately notify the Tournament Administrators via in-Game chat. The Tournament Administrators may pause the Game once the disconnect notification has been received, at their sole discretion.

Once the Game has been paused, the disconnected Player will have five minutes to rejoin before the Game resumes. If the Player cannot rejoin within that time, the shorthanded Team will continue to play out the single Game within the Match series.

If the Player does not rejoin during the same Game in which they disconnected, the Player will have three additional minutes following the Game to rejoin before the next Game of the Match series begins. The disconnected Player may only rejoin during the Game in which the disconnect occurred in or in between Games of a Match series but may not join in the middle of subsequent Games in the series. If the disconnected Player is unable to join the Game prior to the next Game in the series, the Player's Team may substitute the Designated Reserve Player (subject to the Substitution rules set forth in Section 3.2.5). For spectated / broadcasted Matches, if Tournament Administrators

identify that a Player has disconnected without being notified, they may pause a Match to allow the Player to reconnect.

Each Team is allowed a maximum of one pause request per Match. Once the disconnected Player rejoins the Game or the allotted rejoin time has expired, the Teams have 30 seconds to confirm with Tournament Administrators that each Team is ready to unpause. Once each Team has confirmed its readiness, the Game will resume from a neutral kickoff.

3.5.2 Stoppage of Play

Tournament Administrators may pause a Game or Match at any time and for any reason. In the event of a stoppage of play, Players must remain at their devices and may not communicate with other Players until the Game or Match is resumed.

3.5.3 Restarts

Tournament Administrators may order a Game or Match restart due to exceptional circumstances, such as if a bug significantly affects a Player's ability to play or the Game or Match is disrupted by a Force Majeure or other event.

3.5.4 Log Submission

If a Player or Team makes a complaint that results in a Game or Match restart, they shall provide Tournament Administrators with log files from the Game or Match. These log files will be subject to investigation, and Tournament Administrators will issue penalties if they determine that the restart was requested in error.

Any Team member who elects to end his/her participation in the Tournament, and/or is disqualified from the Tournament, will not be permitted to participate in the Tournament in any capacity at the sole discretion of the Tournament Administrator.

5.2 Team Relationships

The Rules do not govern Team relationships. The terms of the relationship between Players and their respective Teams are left to each of the Teams and their Players.
