Asalamualaikum wr wb.

We are continuing to provide support to people in need throughout all Covid lockdowns. In collaboration with our field partners (MAA, CCN, UMMA and PGCC), we are currently supplying ~120 food and hygiene boxes monthly, direct to those affected by Covid related unemployment/restrictions. Halal Food Bank is continuing to supply ~150 boxes a month to our regular recipient organisations.

A typical Halal Food Bank box contains; Rice 2kg, Flour 1kg, Pasta 1kg, Canned fruit 800g, Canned vegetables 800g, Long life milk 1L, Canned Tuna 400g, Canned Legumes 800g, Biscuits 250g, Cooking oil 750mL, Sugar 1kg, Pasta sauce 600g and Tea.

To get ahead of the recent Al-Taqwa college lockdown, we are preparing to support those families in isolation. Kindly send your contributions to.
