Christ Child Society of Tucson

Ladies and Gentlemen,

The month of May brings to mind, new growth, new beginnings, sunshine and joy. We as the Tucson Christ Child Chapter have a lot to celebrate for this year's successes. We have grown our membership from 35 to 46 members to spread the love of the Christ Child to those in need. We have strengthened our Literacy and Layette Programs. We have been able to help the Mission Schools of San Xavier and Santa Cruz by supporting them with the programs needed to help the students. We also were able to reach out to a new organization Pio Decimo and help them with some basic needs as food, which we sometimes take for granted. Not to forget Sells Reservation and all of your generous donations to help them through very rough times as mother nature washed away many of their homes. These acts of kindness and love, show how generous and big your hearts are for the children in need in the Tucson Communities. Looking forward to another amazing year, when you all return from

summer break. Please be safe in all that you do, and come back refreshed and be ready to

“Challenge Poverty One Child at a Time”

Yours in the Christ Child,

Angela Schneider, President

Please Make Sure your attend our May 13th Meeting

Good Byes are tough but I believe the Lord has a new plan for Sr Ellen. Let’s make Sr Ellen’s send off joyous and grateful for all the years we have worked with her. She has been an amazing blessing to our Chapter and all the work she did with the Children in our Mission Schools. Please bring a card and wish her well.

Here are some Recent Blessings:

Amy Yersavich put an article in the Wish List Section of the Arizona Star and this is what appeared on my door step from a generous donor.

It did not stop there St Augustine High School had their annual Lenten Layette Collection Titled "Pack the Playpen." And they did.

A big shout out to the generous students at St Augustine and their love to help infants in need. Thank you, Lynn Cuffari, for your support of the Christ Child Society.

Let's close the year with a Big Bang

National Christ Child News

NCCS Rolls out the New Chapter Liaison Program!

In order to further develop lines of communication with our chapters, the membership committee of the NCCS Board, has developed a Chapter Liaison Program that will be initiated during the month of May, 2019. The purpose of the program is to develop a comfortable channel of communication between NCCS and the chapters so that we may better serve you. It will also be a way for us to share information and resources that will help the chapters continue to succeed and grow.

Chapter Presidents will be receiving an email introducing them to their assigned National Liaison. A time will be selected that works for both parties to further share thoughts on the program and how it can be most effective for their chapter. A Chapter President may decide that another member of their board or chapter will be serving as the Chapter Liaison in which case, this newly assigned person will be contacted going forward.

This program will give chapters a chance to share their success stories with National and to find solutions to any problems that may arise. It will give both National and chapters a chance to get to know each other better. NCCS is very excited to open up this new channel of communications with its chapters! Remember, even though you will have a National liaison assigned to you, you are always welcome to contact our Board President or Executive Office with any questions, comments or concerns you may have.
