St Barnabas Cathedral, Nottingham 3D Model Virtual Tour (fly-through & walk-around animation)

The recent lottery grant enabled a 3D fly-through model to be made of the Cathedral & demonstrates how the original building was constructed & visualises Pugin's original designs. A full laser scan of the building ensures there will be a digital record for posterity & will provide an invaluable resource for interpretation. Eventually combining it with paint research analysis will allow us to appreciate Pugin's original interior too.

Societas Presbyterorum
Sacratissimi Cordis Jesu
BETHARRAM

THE
GOD
WHO
SPEAKS

Dear Brothers and Sisters,

We are now in very troubled times. This is the time that we need to be united in the fight against the further spread of the coronavirus. For now, that means social distancing is important and not gathering in large groups. Prayers for all those suffering with the virus and the peace of mind for their loved ones and the whole world! Know that We hold all of you in our prayers and in our heart.

Corona Virus Prayer

Dear God, I pray for healing for all affected by this deadly virus. Only You can move in a mighty way and do the impossible for them. We pray for all negative outcomes to be resolved by Your healing hands. Bless and embrace each and every single person and bring full healing to their bodies, minds and spirits. Amen.

An act of Spiritual Communion

While we cannot receive communion at this time we can still make an act of Spiritual Communion in which we express our faith in Jesus and in his presence in the Eucharist and invite him to unite himself with us.

“My Jesus, I believe that you are present in the Most Holy Sacrament. I love you above all things, And I desire to receive you into my soul. Since I cannot at this moment receive you sacramentally, Come at least spiritually into my heart. I embrace you as if you were already there and unite myself wholly to you. Never permit me to be separated from you. “
(St. Alphonsus de Liguori)

Peace.....

Fr. Wilfred Pereppadan SCJ
