

Pope Francis' Prayer Intention for November 2021: We pray that people who suffer from depression or burn-out will find support and a light that opens them up to life.

=====

For the Synod 2021-2023, This Autumn each Catholic community in our diocese is being invited to reflect on their dream for the Church and how to make that a reality. Our Synodal process, which kicked off this month, will not only listen to the leaders in parishes, chaplaincies and schools but to everyone - especially those at the margin of our community. We reflected last Sunday the questions and have given your valuable thoughts. Thank you. If those who have not done yet please find the questions that you can reflect and respond back either by email, by post or place it in our synodal Box.

1. What is my dream for the Church, for my parish/chaplaincy so that it can become more outward-looking, more missionary?
2. To achieve this dream, what do we need to stop doing?
3. What are we doing that needs to be developed or done differently?

'A Change of Era' - Saturday 20 November

Hard on the heels of COP26, join our online Diocesan Justice and Peace Assembly, with Bishop Patrick and parishioners from around our diocese, and two high-profile keynote speakers:

Lord Deben, Chair of the Climate Change Committee, which advises the UK Government on climate policy & Raymond Friel, Chief Executive of Caritas Social Action Network :

Pope Francis has said 'We do not live in an era of change so much as a change of era'. There is no doubting his words. Covid-19 is still rife world-wide and climate change is accelerating. In these turbulent times, three things abide: faith, hope and love. You will be warmly welcome to join by Zoom from 10.00 a.m. to 1.15 p.m., to listen and share what the Spirit is saying to the Church – particularly as parish communities called to mission in the wake of Covid-19 and the Glasgow climate summit the previous week. **More details and booking**

Dear Brothers and sisters,

This weekend we, celebrate 5th World day of the Poor. Pope Francis, in his Message for World Day of the Poor, 2021 reflects, "It is my hope that the celebration of the World Day of the Poor, now in its fifth year, will grow in our local Churches and inspire a movement of evangelization that meets the poor personally wherever they may be. We cannot wait for the poor to knock on our door; we need urgently to reach them in their homes, in hospitals and nursing homes, on the streets and in the dark corners where they sometimes hide, in shelters and reception centers. It is important to understand how they feel, what they are

experiencing and what their hearts desire." "The poor you will always have with you" (Mk 14:7) is the title of the Papal Message for the Fifth World Day of the Poor; from the words of Jesus at the Anointing in Bethany just before his Passion, an incident mentioned in the gospels of Matthew, Mark and John. At the heart of our response should be prayer.

As we reflect the theme of World day of the poor, We open our hearts to God's will, and through our prayers and reflection that we allow ourselves to hear and to respond to the cry of our brothers and sisters.

God Bless Fr. Wilfred Pereppadan SCJ
