Crane Hire and Contract Lifting from Nottingham

Founded in 1995, McGovern Crane Hire has grown steadily over the years and now operates the most modern and carefully chosen mobile cranes.

Our modern fleet of cranes are operated by a full compliment of experienced, professional and dedicated operators, with an emphasis on safety and efficiency. Our health and safety standards are constantly reviewed to meet the current UK and European legislation

Here at McGovern Crane Hire we take pride in acknowledging our customers needs. We understand what you require in crane hire.

Modern Equipment, Clean and Tidy, Safe, Reliable and a Quality Service.

We have embraced that into our family run business over many years into the company that stands before you today.

Happy
St. Patrick's
Day

0115 9444266

As guests of
Ambassador
Martin Fraser
and his wife
Deirdre, we
remembered our past
founders and
volunteers who have
died.

25th Anniversary
reception ~
Embassy of Ireland,
London , February
16th 2024.

We have twinned every
year with a county in
Ireland to help choose
our **Grand Marshall**
and share mutual
tourism potentials

Congratulations
on your 25th
Anniversary from
all at Nottingham
Irish Golf
Society

Datsy Greaney

We thank our Irish heritage East Midlands Civil Engineering and Construction firms , for their sponsorship .

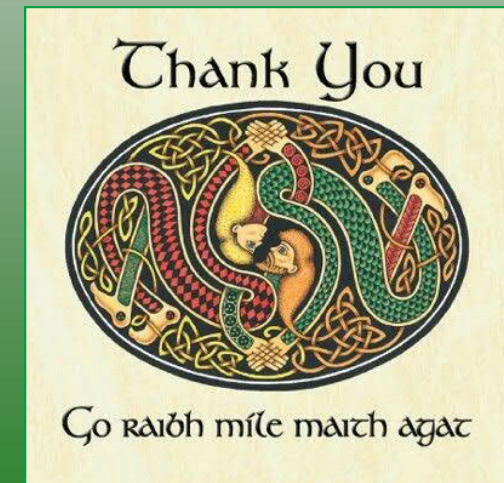

Established in March 2001, East Midlands Civil Engineering Limited have built a powerful reputation on the results of an extensive portfolio of past and current projects. Specialists in Roads, Sewers and Groundworks, carried out on behalf of leading Residential Housing Developers throughout the Midlands . Based in Watnall, Nottingham, close to Junction 26 of the M1, are able to provide a complete service and capably deliver developments of any size.

www.emcivils.com

Run by our honorary president Richard Hayden pictured here with his son Brendan ; they are a mechanical and civil engineering business that's been providing professional services to clients for over forty years. They specialise in the design, fabrication , construction and maintenance of high-pressure steel pipelines, above ground installations (AGIs) and associated works, primarily for the gas, oil, petrochemical, and water industries. *“ Glad to have supported this great cultural organisation and watch it grow over the years ”* Richard Hayden.

Proudly sponsoring Nottingham's 25th St. Patrick's Day Festival

Operating across the UK, we bring 50+ years' experience & innovation to civil engineering, lighting, signage, communications, signalling, CCTV, power cabling, trenchless technology & link lighting hire.
