RIVER RIDGE LEARNING CENTER NEWSLETTER

FEBRUARY ANNOUNCEMENTS

What did one volcano say to the other...I lava you!

In the month of January, we were able to make a final decision on our outdoor classroom and start the hiring process for an Assistant Director. Construction is on schedule and is expected to be completed in March, giving us the ability to onboard teachers and other staff members by April.

Our grand opening is approaching fast, and we want to make sure we are serving our community needs. To ensure this, we have opened our early registration, which is listed on our website and below. Completing this early registration form shows your interest in our program and will grant you priority when we officially begin enrollment. With that said, this form does not bind you to enroll nor does it guarantee a spot for your child. All information submitted will remain confidential.

AVAILABLE POSITIONS

Lead Teacher: The Lead Teacher will provide learning experiences that promote the social-emotional, cognitive, and physical development of children ages 6 weeks- five years old, while meeting FSSA regulations, Paths to Quality, and NAEYC accreditation standards.

Additionally, Lead Teachers are responsible for engaging families, managing daily operations of their classroom, ensuring the safety and best interest of their students, and promoting our extraordinary, progressive program.

*Bachelor's Degree in Early Childhood Education plus 3 years experience is required.

Associate Teacher: The Associate Teacher will assist in the creation and maintenance of an exciting, safe, and developmentally appropriate classroom environment that reflects the children's interests, learning process, and natural curiosity. They will also collaborate with the Lead Teacher to coordinate robust learning experiences, while documenting children's learning, skill development, interests and needs daily.

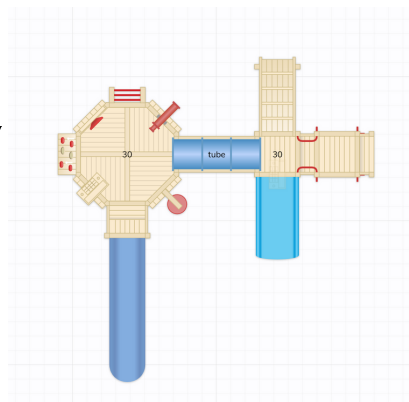

*Associate's Degree in Early Childhood Education is required.

OUR OUTDOOR CLASSROOM

We are excited to announce that we have decided on our outdoor classroom. This equipment is kid-friendly and composed of sustainable materials, including splinter free, naturally long lasting Northern White Cedar. This will allow us to carry out our mission of cultivating and sparking a lifelong love for learning in children.
