Understanding Your Lowrance – Advanced Class

February 17, 2024 – 9:30 am

Cabela's – 5225 Prairie Stone Pkwy – Hoffman Estates, IL 60192

Join Mark O'Neill, Lowrance Electronics pro staff and Marine Electronics Educator, for a unique learning opportunity

- Explore the latest in marine electronics technology from Lowrance
- Learn by doing, as an expert from Lowrance leads a workshop covering Lowrance Fishfinder/Chartplotter units
 - Session will cover advanced features and more—with instruction on everything from setup, waypoint management, mapping, StructureScan, Active Target, power management and more detailed product use.
 - Large flat screen displays to project HDS outputs along with Powerpoint presentations
 - Class hours are 9:30 am to 12:30 pm

Registration: The cost of the class is \$35.00, cancellations are refundable.

Pre-registration is required

To reserve a seat, send this registration form and check payable to Mark O'Neill or sign up on line at:
