

# Outside the Playroom: Working with Parents of Children in Therapy

As a child therapist or play therapist, there is very little formal training on how to incorporate parents or caregivers into our work with children. This training seeks to provide attendees with a deep toolkit of strategies and approaches for working with parents or caregivers as part of a child's treatment plan.

**May 28<sup>th</sup> - May 30<sup>th</sup>, 2025**  
**9:30am to 4:30pm**

**Tessellate Child and Family Therapy**  
5409 Eglinton Avenue West  
Suite 101  
Etobicoke, ON M9C 5K6

416-573-8512
