Limitations:

- This offer is not valid on any rental or commercial property and only available to a personally owned, primary residence.
- The homeowner must provide access for the system to be removed Monday through Friday between 8am and 5pm.
- The homeowner understands and agrees that the installing contractor is an independent contractor and not an agent of York, Johnson Controls, Inc. or it's distributors.
- Failure to register warranty within the first 90 days of installation will result in loss of First Year Replacement Warranty.
- Failure to provide completed Start-Up sheets will result in lost of First Year Replacement Warranty.
- Johnson Controls, Inc. reserves the right to request the unit be returned for testing and if the reported issue(s) cannot be duplicated within 30 days of receipt of returned unit, UPG reserves the right to reverse the credit.
- Offer good through one year after installation date.
