SPECIALIZING IN QUALITY CRAFTS

2020 CATALOG

About Us

It's been more than 20 years since the Vernon Weaver family first began making solid wood furniture here at our shop just outside Berlin, OH. We're located in the heart of Ohio's Amish Country, which has grown into the largest hardwood furniture-producing district in the nation.

Just as the industry itself didn't grow to this size overnight, neither did our business — we've tried to build our business slow and steady, with a dedication to customer service and satisfaction, as well as quality. We're hopeful that our long track record, and the relationships we've built with our clients, is a reflection of that dedication.

Whether you are an old friend or viewing our catalog for the first time, we invite you to contact us with your questions. Better yet, please feel free to stop by our workshop when you're in the area. We'd be happy to visit with you!
