Return of Property

Return all Company property at the time of separation, including uniforms, cellphones, keys, tools, laptops, credit cards, and identification cards. Failure to return some items may result in deductions from your final paycheck where state law allows. In some circumstances, the Company may pursue criminal charges for failure to return Company property.

6.24 Workplace Privacy and Right to Inspect

WBE Traffic Control Inc. property, including but not limited to lockers, phones, computers, tablets, desks, work place areas, vehicles, or machinery, remains under the control of the Company and is subject to inspection at any time, without notice to any employees, and without their presence.

You should have no expectation of privacy in any of these areas. We assume no responsibility for the loss of, or damage to, your property maintained on Company premises including that kept in lockers and desks.

7.0 Benefits

7.1 Drug and Alcohol Rehabilitation Accommodation

WBE Traffic Control Inc. will reasonably accommodate employees who wish to voluntarily participate in an alcohol or drug rehabilitation program, provided that the accommodation will not impose an undue hardship on the Company.

Reasonable accommodations may include unpaid time off. If you have a serious health condition and are otherwise eligible, time off for alcohol and/or drug rehabilitation may also be covered by the Family and Medical Leave Act (FMLA) or the California Family Rights Act (CFRA). If so, the Company will request approval and medical certification as it would for FMLA and CFRA leave requests, and the leaves will run concurrently. If eligible, you may use accrued paid time off, for all or part of the time spent in entering or participating in a rehabilitation program.

The Company may discharge or refuse to hire an individual because of their current use of alcohol and/or drugs, because they are unable to perform their duties, or because they cannot perform their duties in a manner that would not endanger their own or another's health and safety.

Requests to participate in a rehabilitation program will be kept confidential. Direct all requests to participate in a rehabilitation program to Human Resources or the CEO.

The Company will not retaliate against employees who request or obtain accommodation in accordance with this policy.

7.2 Family and Medical Leave (FMLA)

In accordance with the Family and Medical Leave Act of 1993 (FMLA), WBE Traffic Control Inc. provides up to 12 or 26 weeks of unpaid, job-protected leave in a 12-month period to covered employees in certain circumstances.

Eligibility

To qualify for FMLA leave, you must:

1. Have worked for the Company for at least 12 months, although it need not be consecutive;
2. Worked at least 1,250 hours in the last 12 months; and
3. Be employed at a worksite that has 50 or more employees within 75 miles.

Reasons for Leave

You may take up to 12 weeks of unpaid FMLA leave in a 12-month period for any of the following reasons:

- The birth of a child and in order to care for that child (leave must be completed within one year of the child's birth);
- The placement of a child with you for adoption or foster care and in order to care for the newly placed child (leave must be completed within one year of the child's placement);
- To care for a spouse, child, or parent with a serious health condition;
- To care for your own serious health condition, which makes you unable to perform any of the essential functions of your position; or
- A qualifying exigency of a spouse, child, or parent who is a military member on covered active duty or called to covered active duty status (or has been notified of an impending call or order to covered active duty).

A "rolling" 12-month period measured backward

You may take up to 26 weeks of unpaid FMLA leave in a single 12-month period, beginning on the first day that you take FMLA leave to care for a spouse, child, or next of kin who is a covered service member and who has a serious injury or illness related to active duty service.

As used in this policy:

- **Spouse** means a husband or wife as recognized under state law for the purposes of marriage in the state or other territory or country where the marriage took place.
- **Child** means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18 or age 18 or older and incapable of self-care because of a mental or physical disability at the time FMLA leave is to commence. A child for the purposes of military exigency or military care leave can be of any age.
- **Parent** means a biological, adoptive, step, or foster parent or any other individual who stood in loco parentis to you when you were a child.
- **Next of kin** for the purposes of military care leave is a blood relative other than a spouse, parent, or child in the following order: brothers and sisters, grandparents, aunts and uncles, and first cousins. If a military service member designates in writing another blood relative as his or her caregiver, that individual will be the only next of kin. In appropriate circumstances, you may be required to provide documentation of next of kin status.
- **Serious health condition** means an illness, injury, impairment, or physical or mental condition that involves either inpatient care or continuing treatment by a health care provider. Ordinarily, unless complications arise, cosmetic treatments and minor conditions such as the cold, flu, ear aches, upset stomach, minor ulcers, headaches (other than

migraines), and routine dental problems are examples of conditions that are not serious health conditions under this policy. If you have any questions about the types of conditions that may qualify, contact Human Resources.

- **Health care provider** means a medical doctor or doctor of osteopathy, physician assistant, podiatrist, dentist, clinical psychologist, optometrist, nurse practitioner, nurse-midwife, clinical social worker, or Christian Science practitioner licensed by the First Church of Christ. Under limited circumstances, a chiropractor or other provider recognized by our group health plan for the purposes of certifying a claim for benefits may also be considered a health care provider.
- **Qualifying exigencies** for military exigency leave include:
 - Short-notice call-ups/deployments of seven days or less (**Note:** Leave for this exigency is available for up to seven days beginning the date of call-up notice);
 - Attending official ceremonies, programs, or military events;
 - Special childcare needs created by a military call-up including making alternative childcare arrangements, handling urgent and nonroutine childcare situations, arranging for school transfers, or attending school or daycare meetings;
 - Making financial and legal arrangements;
 - Attending counseling sessions for yourself, the military service member, or the military service members' son or daughter who is under 18 years of age or is 18 or older but incapable of self-care because of a mental or physical disability;
 - Rest and recuperation (**Note:** Fifteen days of leave is available for this exigency per event);
 - Post-deployment activities such as arrival ceremonies, re-integration briefings, and other official ceremonies sponsored by the military (**Note:** Leave for these events are available for 90 days following the termination of active duty status). This type of leave may also be taken to address circumstances arising from the death of a covered military member while on active duty;
 - Parental care when the military family member is needed to care for a parent who is incapable of self-care (such as arranging for alternative care or transfer to a care facility); and
 - Other exigencies that arise that are agreed to by both the Company and you.
- A **serious injury/illness** incurred by a service member in the line of active duty or that is exacerbated by active duty is any injury or illness that renders the service member unfit to perform the duties of his or her office, grade, rank, or rating.

Notice and Leave Request Process

If the need for leave is foreseeable because of an expected birth/adoption or planned medical treatment, you must give at least 30 days' notice. If 30 days' notice is not possible, give notice as soon as practicable (within one or two business days of learning of your need for leave). Failure to provide appropriate notice may result in the delay or denial of leave.

In addition, if you are seeking intermittent or reduced schedule leave that is foreseeable due to planned medical treatment or a series of treatments for yourself, a family member, or covered service member, you must consult with the Company first regarding the dates of this treatment to work out a schedule that best suits your needs or the needs of the covered military member, if applicable, and the Company.

If the need for leave is unforeseeable, provide notice as soon as possible. Normal call-in procedures apply to all absences from work, including those for which leave under this policy may be requested. Failure to provide appropriate notice may result in the delay or denial of leave.

Contact Human Resources for FMLA forms.

Certification of Need for Leave

If you are requesting leave because of your own or a covered relative's serious health condition, you and the relevant health care provider must supply appropriate medical certification. You may obtain Medical Certification forms from the Human Resources department. When you request leave, the Company will notify you of the requirement for medical certification and when it is due (at least 15 days after you request leave). If you provide at least 30 days' notice of medical leave, you should also provide the medical certification before leave begins. Failure to provide requested medical certification in a timely manner may result in denial of FMLA-covered leave until it is provided.

At our expense, the Company may require an examination by a second health care provider designated by us. If the second health care provider's opinion conflicts with the original medical certification, we, at our expense, may require a third, mutually agreeable, healthcare provider to conduct an examination and provide a final and binding opinion. Subsequent medical recertification may also be required. Failure to provide requested certification within 15 days, when practicable, may result in delay of further leave until it is provided.

The Company also reserves the right to require certification from a covered military member's health care provider if you are requesting military caregiver leave and certification in connection with military exigency leave.

Call-In Procedures

In all instances of absence, the call-in procedures and standards established for giving notice of absence from work must be followed.

Paid Leave Utilization During FMLA Leave

FMLA leave is unpaid; however, you may be required to substitute any accrued and unused paid leave (e.g., vacation/paid time off/sick days/personal days) for unpaid FMLA leave as permitted by law.

Your FMLA leave runs concurrently with other types of leave, such as accrued paid leave that is substituted for unpaid FMLA leave and any state family leave laws, to the extent allowed by state law. The substitution of paid leave for unpaid FMLA leave does not extend the 12 or 26 weeks (whichever is applicable) of FMLA leave. In addition, the substitution of paid leave for unpaid leave may not result in your receipt of more than 100 percent of your salary.

If you are receiving short- or long-term disability or workers' compensation benefits during a personal medical leave, you will not be required to utilize accrued paid leave. However, where state law permits, you may elect to use accrued paid leave to supplement these benefits.

Leave Increments

Intermittent Leave

If medically necessary, FMLA leave for a serious health condition may be taken intermittently (in separate blocks of time due to a serious health condition) or on a reduced leave schedule (reducing the usual number of hours you work per workweek or workday). FMLA leave may also be taken intermittently or on a reduced leave schedule for a qualifying exigency relating to covered military service.

As FMLA leave is unpaid, the Company will reduce your salary based on the amount of time actually worked. In addition, while you are on an intermittent or reduced schedule leave that is foreseeable due to planned medical treatments, the Company may temporarily transfer you to an available alternative position that better accommodates your leave schedule and has equivalent pay and benefits.

Parental Leave

Leave for the birth or placement of a child must be taken in a single block and cannot be taken on an intermittent or reduced schedule basis. Parental leave must be completed within 12 months of the birth or placement of the child; however, you may use parental leave before the placement of an adopted or foster child to consult with attorneys, appear in court, attend counseling sessions, etc.

Family Care, Personal Medical, Military Exigency, and Military Care Leave

Leave taken for these reasons may be taken in a block or blocks of time. In addition, if a health care provider deems it necessary or if the nature of a qualifying exigency requires, leave for these reasons can be taken on an intermittent or reduced-schedule basis.

Fitness for Duty Requirements

If you take leave because of your own serious health condition (except if you are taking intermittent leave), you are required, as are all employees returning from other types of medical leave, to provide medical certification that you are fit to resume work. You will not be permitted to resume work until it is provided.

Health Insurance

Your health insurance coverage will be maintained by the Company during leave on the same basis as if you were still working. You must continue to make timely payments of your share of the premiums for such coverage. Failure to pay premiums within 30 days of when they are due may result in a lapse of coverage. If this occurs, you will be notified 15 days before the date coverage will lapse that coverage will terminate unless payments are promptly made.

Alternatively, at our option, the Company may pay your share of the premiums during the leave and recover the costs of this insurance upon your return to work. Coverage that lapses due to nonpayment of premiums will be reinstated immediately upon return to work without a waiting period. Under most circumstances, if you do not return to work at the end of leave, the Company may require reimbursement for the health insurance premiums paid during the leave.

Reinstatement

Upon returning to work at the end of leave, you will generally be placed in your original job or an equivalent job with equivalent pay and benefits. You will not lose any benefits that accrued before leave was taken.

Spouse Aggregation

If you and your spouse are both employed by the Company, the total number of weeks to which you are both entitled in the aggregate because of the birth or placement of a child or to care for a parent with a serious health condition will be limited to 12 weeks per leave year. Similarly, spouses employed by the Company will be limited to a combined total of 26 weeks of leave to care for a military service member. This 26-week leave period will be reduced, however, by the amount of leave taken for other qualifying FMLA events. This type of leave aggregation does not apply to leave needed for your own serious health condition, to care for a spouse or child with a serious health condition, or because of a qualifying exigency.

Failure to Return

If you fail to return to work or fail to make a request for an extension of leave prior to the expiration of the leave, you will be deemed to have voluntarily terminated your employment. The Company is not required to grant requests for open-ended leaves with no reasonable return date under these policies or as disability accommodations.

Alternative Employment

While on leave of absence, you may not work or be gainfully employed either for yourself or others unless express, written permission to perform such outside work has been granted by the Company. If you are on a leave of absence and are found to be working elsewhere without permission, you will be subject to disciplinary action up to and including termination.

Interaction with State and Local Laws

Where state or local family and medical leave laws offer more protections or benefits to employees, the protections or benefits that are more favorable to the employee, as provided by these laws, will apply.

Abuse of Leave

If you are found to have provided a false reason for a leave, you will be subject to disciplinary action up to and including termination.

Designation of Leave

If the Company becomes aware of any qualifying reason for FMLA leave, the Company will designate it as such. An employee may not refuse FMLA designation under this policy.

Retaliation

The Company will not retaliate against employees who request or take leave in accordance with this policy.

Sibling means a person related to another person by blood, adoption, or affinity through a common legal or biological parent.

Use of Leave

Eligible employees will be provided up to five days of unpaid bereavement leave in the event of the death of a family member.

The five days of bereavement leave do not have to be taken consecutively. Bereavement leave must be completed within three months of the date of the family member's death.

You may elect to use any accrued vacation time or other accrued paid time off that you are eligible to take during the otherwise unpaid bereavement leave.

Bereavement leave will run concurrently with other federal/state laws where permitted by law.

Notice

If your need for leave is foreseeable, provide as much advance notice as possible. If unforeseeable, provide notice as soon as practical.

You may be required to provide reasonable documentation of your need for leave. This may include a death certificate, a published obituary, or written verification of death, burial, or memorial services from a mortuary, funeral home, burial society, crematorium, religious institution, or government agency. This documentation must be provided within 30 days of your first day of leave.

All information received by the Company regarding your request for bereavement leave will be treated as confidential and will not be disclosed except to internal personnel or counsel, as necessary or as required by law.

Retaliation

The Company will not retaliate against employees who request or take leave in accordance with this policy.

Refer to ***Paid Time Off*** in this Handbook.

7.5 Continuing Education and Tuition Assistance

We believe in the continuing education of our eligible employees. If WBE Traffic Control Inc. sends you to a class or training program during normal working hours related to your employment and you are nonexempt, you will be paid training pay for that time. If you are interested in attending an outside class and having the Company pay for your attendance, you are required to provide advance written notice describing the class, including the subject matter, length, and cost and how the training will benefit you and the Company. Depending on the type of training, the Company may reimburse some or all of the fees, including materials expenses, meals, and transportation. If your Manager or Supervisor and Human Resources approves of your attendance at a class that is not sponsored by the Company, upon attendance and successful completion you will be reimbursed for the class.

Once you reach the maximum accrual amount, you will not accrue any additional PTO until you use some of the accrued but unused PTO and the amount falls below the maximum accrual amount. You will not receive retroactive credit for any period of time in which you did not accrue PTO because you accrued the maximum amount.

Leave Usage and Requests for Leave

The Company encourages you to use your PTO time. You are eligible to begin using PTO [[immediately upon hire/upon completion of your introductory period/as soon as it is received /after # days of employment]].

You must request PTO from your management as far in advance as possible, but at least [[# days/weeks]] in advance. 7.10 Personal Leave of Absence

WBE Traffic Control Inc. recognizes that you may need time off from work in special circumstances that other leave policies may not address. In such cases, you may request a personal leave of absence.

Eligibility

All non-union full-time and part-time employees employed for at least 12 months are eligible to apply for an unpaid personal leave of absence.

Requesting Leave

Requests for unpaid personal leave must be submitted to your management in writing at least 14 days in advance where practical. In emergency situations, written notice must be provided as soon as possible. The request should include the reason for the leave as well as the dates you expect to begin and end the leave.

Job performance, absenteeism, and departmental requirements will be taken into consideration before a request is

approved. Requests for unpaid personal leave may be denied or granted for any reason and are within the sole discretion of the Company.

You will be required to use all available paid leave balances prior to taking an unpaid personal leave of absence.

Sick leave, PTO, vacation time, seniority, or other benefits will not accrue during an unpaid personal leave of absence. Holidays that occur during an unpaid personal leave of absence will not be paid.

If you are granted a personal leave of absence, reinstatement to your position or any position is not guaranteed.

You are responsible for payment of your portion of the insurance premium while on personal leave.

Extension of Leave

You are required to return from unpaid personal leave on the originally scheduled return date. If you are unable to return, you must request an extension of the leave in writing at least 14 days in advance of the return date. Leave extensions will be considered on a case-by-case basis. If the Company denies the extension request, you must return to work on the originally scheduled return date or be considered to have voluntarily resigned from your employment.

Return to Work

In advance of your scheduled return date, your management will arrange for you to resume your previous position, if available. However, the Company's need to fill a position may override the ability to hold a position open until your return. Therefore, we cannot assure our ability to reinstate you to any position after your leave. The Company retains the discretion to determine the similarity of any available positions and your qualifications. If we are unable to reinstate you or you refuse the offer of reinstatement to a different position, your leave status will be changed to a voluntary termination.

Failure to Return from Leave

If you fail to return to work after an unpaid leave of absence, you will be considered to have resigned your employment.

Alternative Employment

While on an unpaid leave of absence, you may not work or be gainfully employed either for yourself or others unless express, written permission to perform such outside work has been granted by the Company. Workers' compensation insurance coverage is paid for by employers and governed by state law. The workers' compensation system provides for coverage of medical treatment and expenses, occupational disability leave, and rehabilitation services, as well as payment for lost wages due to work related injuries. If you are injured on the job while working at WBE Traffic Control Inc., no matter how slightly, you are to report the incident immediately to your management. Consistent with applicable state law, failure to report an injury within a reasonable period of time could jeopardize your claim for benefits.

To receive workers' compensation benefits, notify your management immediately of your claim. If your injury is the result of an on-the-job accident, you must fill out an accident report. You will be required to submit a medical release before you can return to work.

7.16 COBRA

8.0 Safety and Loss Prevention

8.1 Face Masks in the Workplace

WBE Traffic Control Inc. is committed to maintaining a safe and healthy workplace.

Due to frequent changes in local, state, or federal masking requirements, WBE Traffic Control Inc. has established a Company COVID-19 QR code that employees can access for current information.

Background

The Centers for Disease Control and Prevention (CDC), the Occupational Safety and Health Administration (OSHA), and the World Health Organization (WHO) have found that wearing face masks can help prevent the spread of COVID-19, especially when social or physical distancing cannot be accomplished and in areas of significant community spread.

Mask Use

- You are required to wear a face mask when situations are covered by local, state, or federal orders.
- For people who personally choose to wear a face mask, please refer to the guidelines below or request a company provided mask.

Acceptable Face Masks

You may use your own disposable or reusable cloth face mask if it complies with the CDC recommendation.

Based on guidance, any cloth face mask must:

- Completely cover the nose and mouth.
- Fit snugly against the sides of the face and not have any gaps.
- Be secured with ties or ear loops.
- Be made of tightly woven fabric, such as cotton or cotton blends.
- Include multiple layers of fabric.

Disclaimer of Restrictions on Employee Rights

This policy is not intended to restrict communications or actions protected or required by state or federal law.

Modification of Policy

The Company reserves the right to modify this policy at any time in its sole discretion to adapt to changing circumstances and business needs, consistent with its commitment to maintaining a safe and healthy workplace.

8.2 Drug and Alcohol Policy

WBE Traffic Control Inc. is committed to providing a safe, healthy, and productive work environment. Consistent with this commitment, it is the intent of the Company to maintain a drug and alcohol-free workplace. Being under the influence of alcohol, illegal drugs (as classified under federal, state, or local laws), including prescription and over-the-counter drugs, or other impairing substances while on the job may pose a serious health and safety risk to others and will not be tolerated.

The Company requires that its employees report for work and perform their duties within the standards established. The intent of this policy is to prevent the hiring and/or continued employment of persons who, due to the use of alcohol or illegal drugs, may harm themselves or others, or cause damage to property.

Pre-Employment Test

All offers of employment will be contingent upon satisfactory results of a drug test. If a pre-employment drug test indicates illegal drug use, the applicant will not be eligible for employment at the Company.

Random Test

- The Company may require random drug testing under the Department of Transportation regulations.
- An employee may obtain a deferral for testing if the employee's supervisor and Human Resources concur that there is a compelling business need to defer the testing. An employee whose random test is deferred will be subject to an unannounced test at a later date.

For-Cause Test

The Company may request an employee, as a condition of their employment, to undergo drug and/or alcohol testing if the Company has a reasonable belief based on specific, articulable facts that the employee may have violated the Drug and Alcohol policy. Such reasonable belief may be based on, but not limited to, the following factors:

- The employee exhibits physical signs of alcohol and/or illegal drug use.
- The supervisor or other company representative reasonably believes an unsatisfactory job performance, misconduct, or poor attendance may be related to drug or alcohol use.
- The employee has a work-related accident.
- The company obtains reliable information that the employee has or may have violated the Company's Drug and Alcohol Testing Policy.

Prohibited Conduct

The Company expressly prohibits employees from engaging in the following activities when they are on duty or conducting Company business or on Company premises (whether or not they are working):

- The use, abuse, or being under the influence of alcohol, illegal drugs, or other impairing substances, including prescription and over-the-counter drugs that adversely affect the ability to perform job duties safely and effectively.
- The possession, sale, purchase, transfer, or transit of any illegal or unauthorized drug, including prescription medication that is not prescribed to the individual or drug-related paraphernalia, and the illegal use or abuse of prescription drugs.

While the use of marijuana has been legalized under some state laws for medicinal and/or recreational uses, it remains an illegal drug under federal law. The Company does not discriminate against employees solely on the basis of their lawful off-duty use of marijuana. You may not consume or be under the influence of marijuana while on duty or at work.

Nothing in this policy is meant to prohibit your appropriate use of over-the-counter medication or other medication that can legally be prescribed under both federal and state law if it does not impair your job performance, safety, or the safety of others. If you take over-the-counter medication or other prescribed medication, inform your supervisor if you or your doctor believe the medication may impair your judgment, job performance, safety, or the safety of others or if you believe you need a reasonable accommodation before reporting to work while under the influence of that medication.

The Company supports employees who voluntarily seek help for drug and/or alcohol addiction before it becomes subject to

discipline or termination under this or other Company policies. For more information, refer to the *Drug and Alcohol Rehabilitation Accommodation* section of this handbook.

Employer-Sponsored Events

From time to time, the Company may sponsor social or business-related events where alcohol may be served. This policy does not prohibit the use or consumption of alcohol at these events. However, if you choose to consume alcohol at such events, you must do so responsibly and maintain your obligation to conduct yourself properly and professionally at all times.

Violations

Violation of this policy may result in disciplinary action, up to and including termination of employment.

All reports will be investigated immediately and kept confidential, except where there is a legitimate need to know. You are expected to cooperate in any investigation of workplace violence.

Violations

Violating this policy may subject you to criminal charges as well as discipline up to and including immediate termination of employment.

Retaliation

Victims and witnesses of workplace violence will not be retaliated against in any manner. In addition, you will not be subject to discipline for, based on a reasonable belief, reporting a threat or for cooperating in an investigation.

If you initiate, participate, are involved in retaliation, or obstruct an investigation into conduct prohibited by this policy, you will be subject to discipline up to and including termination.

If you believe you have been wrongfully retaliated against, immediately report the matter to Human Resources.

Violation of this policy may result in disciplinary action up to and including termination, and may subject the violator to civil liability.

9.2 Inventions

Any invention created, in whole or in part, during your work hours, or from the use of equipment or facilities belonging to WBE Traffic Control Inc., is a "work for hire" and is the property of the Company.

If you intend to develop and maintain property rights to any invention that relates in any way to products or services of the Company, you are required to obtain a written waiver of this policy, signed by both you and the company owner.

Consistent with this commitment, the Company will provide reasonable accommodation to otherwise qualified individuals where appropriate to allow the individual to perform the essential functions of the job, unless doing so would create an undue hardship on the business.

If you require an accommodation because of your disability, it is your responsibility to notify your management. You may be asked to include relevant information such as:

All medical information received by the Company in connection with a request for accommodation will be treated as confidential.

The Company encourages you to suggest specific reasonable accommodations that you believe would allow you to perform your job. However, the Company is not required to make the specific accommodation requested by you and may provide an alternative accommodation, to the extent any reasonable accommodation can be made without imposing an undue hardship on the Company.

If leave is provided as a reasonable accommodation, such leave may run concurrently with leave under the federal Family and Medical Leave Act and/or any other leave where permitted by state and federal law.

The Company will not discriminate or retaliate against employees for requesting an accommodation.

EEO Statement and Nonharassment Policy

Equal Opportunity Statement

WBE Traffic Control Inc. is committed to the principles of equal employment. We are committed to complying with all federal, state, and local laws providing equal employment opportunities, and all other employment laws and regulations. The Company will conduct a prompt and thorough investigation of all allegations of discrimination, harassment, or retaliation, or any violation of the Equal Employment Opportunity Policy in a confidential manner. The Company will take appropriate corrective action, if and where warranted. The Company prohibits retaliation against employees who provide information

about, complain about, or assist in the investigation of any complaint of discrimination or violation of the Equal Employment Opportunity Policy.

We are all responsible for upholding this policy. You may discuss questions regarding equal employment opportunity with your management or any other designated member of management.

Policy Against Workplace Harassment

WBE Traffic Control Inc. has a strict policy against all types of workplace harassment, including sexual harassment and other forms of workplace harassment based upon an individual's age (40 and older), race, color, national origin, ancestry, religion, sex, sexual orientation (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), physical or mental disability, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, or any other status protected by federal, state, or local laws. All forms of harassment of, or by, employees, vendors, visitors, customers, and clients are strictly prohibited and will not be tolerated.

Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly as a term or condition of an individual's employment; (2) submission to, or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

While it is not possible to identify every act that constitutes or may constitute sexual harassment, the following are some examples of sexual harassment:

- Unwelcome requests for sexual favors;
- Lewd or derogatory comments or jokes;
- Comments regarding sexual behavior or the body of another;
- Sexual innuendo and other vocal activity such as catcalls or whistles;
- Obscene letters, notes, emails, invitations, photographs, cartoons, articles, or other written or pictorial materials of a sexual nature;
- Repeated requests for dates after being informed that interest is unwelcome;
- Retaliating against another for refusing a sexual advance or reporting an incident of possible sexual harassment to the Company or any government agency;
- Offering or providing favors or employment benefits such as promotions, favorable evaluations, favorable assigned duties or shifts, etc., in exchange for sexual favors; and
- Any unwanted physical touching or assaults or blocking or impeding movements.

Other Harassment

Other workplace harassment is verbal or physical conduct that insults or shows hostility or aversion toward an individual because of the individual's age (40 and older), race, color, national origin, ancestry, religion, sex, sexual orientation (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), physical or mental disability, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, or any other status protected by federal, state, or local laws.

Again, while it is not possible to list all the circumstances that may constitute other forms of workplace harassment, the following are some examples of conduct that may constitute workplace harassment:

- The use of disparaging or abusive words or phrases, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to the above protected categories;
- Written or graphic material that insults, stereotypes, or shows aversion or hostility toward an individual or group because of one of the above protected categories and that is placed on walls, bulletin boards, email, voicemail, or

elsewhere on our premises, or circulated in the workplace; and

- A display of symbols, slogans, or items that are associated with hate or intolerance toward any select group.

Reporting Discrimination and Harassment

If you feel that you have witnessed or have been subjected to any form of discrimination or harassment, immediately notify Human Resources, 702-301-2927, alice@wbetc.com or any member of management.

The Company prohibits retaliation against employees who, based on a reasonable belief, provide information about, complain, or assist in the investigation of any complaint of harassment or discrimination.

We will promptly and thoroughly investigate any claim and take appropriate action where we find a claim has merit. To the extent possible, we will retain the confidentiality of those who report suspected or alleged violations of the harassment policy.

Discipline for violation of this policy may include, but is not limited to, reprimand, suspension, demotion, transfer, and discharge. If the Company determines that harassment or discrimination occurred, corrective action will be taken to effectively end the harassment. As necessary, the Company may monitor any incident of harassment or discrimination to assure the inappropriate behavior has stopped. In all cases, the Company will follow up as necessary to ensure that no individual is retaliated against for making a complaint or cooperating with an investigation.

Religious Accommodation

WBE Traffic Control Inc. is dedicated to treating its employees equally and with respect and recognizes the diversity of their religious beliefs. All employees may request an accommodation when their religious beliefs cause a deviation from the Company dress code or the individual's schedule, basic job duties, or other aspects of employment. The Company will consider the request, but reserves the right to offer its own accommodation to the extent permitted by law. Some, but not all, of the factors that will be considered are cost, the effect that an accommodation will have on current established policies, and the burden on operations — including other employees — when determining a reasonable accommodation. At no time will the Company question the validity of a person's belief.

If you require a religious accommodation, speak with your management.

Wage and Hour Policies

Accommodations for Nursing Mothers

Accommodations for Nursing Mothers

WBE Traffic Control Inc. is required by law to provide requesting employees who are nursing mothers with certain accommodations to express milk. Accordingly, the Company will provide nursing mothers with:

- Reasonable break time to express milk for their infant child each time the mother has the need to express milk; and
- A private room or other location, other than a restroom, in close proximity to their work area that is shielded from view and free from intrusion to express breast milk.

Requesting Accommodation

- If you have the need for accommodations, contact Human Resources. Field employees should contact Human Resources for the best possible options for a private and clean expression area.
- If the Company cannot provide break time or a location that complies with the above, the Company will provide you with a written response.

Break Times

Regarding break times, employees may use regular paid rest breaks or may take other reasonable break time when needed. If possible, the break time should run concurrently with scheduled meal and rest breaks already provided to you. If the break time cannot run concurrently with meal and rest breaks already provided or additional time is needed, break times will be unpaid except where federal or state law dictates otherwise.

Lactation Room or Location

The provided lactation room or location will:

- Be safe, clean, and free of hazardous materials.
- Contain a surface to place a breast pump and personal items.
- Contain a place to sit.
- Have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump.
- Field employees should contact Human Resources for the best possible options for a private and clean expression area.

Multipurpose rooms may be used as lactation space if they satisfy the above requirements; however, use of the room for lactation purposes must take priority over other uses.

Milk Storage

Expressed milk can be stored in company refrigerators. Sufficiently mark or label your milk to avoid confusion for other employees who may share the refrigerator. If a refrigerator cannot be provided, the Company will provide another cooling device suitable for storing milk. You may also elect to bring a personal cooler for storage.

Retaliation

The Company will not retaliate against employees who request or obtain an accommodation in accordance with this policy.

Right to File Complaint

If you feel the Company is not providing you with adequate break time and/or a place to express milk as provided for in Labor Code § 1030, you may file a report/claim with the Labor Commissioner's Bureau of Field Enforcement (BOFE) at the BOFE office nearest your place of employment. The complaint must be filed within three years of the alleged unlawful action.

In addition, if you believe you have been a victim of retaliation for either asserting a right to lactation accommodation or for complaining to the Labor Commissioner about the failure of the Company to provide this accommodation, you may file a retaliation claim with the Labor Commissioner's Office pursuant to Labor Code § 98.7. This claim must be filed within six months of the alleged retaliation.

Meal and Rest Periods

WBE Traffic Control Inc. strives to provide a safe and healthy work environment and complies with all federal and state regulations regarding meal and rest periods. Check with your management regarding procedures and schedules for rest and meal breaks. The Company requests that employees accurately observe and record meal and rest periods. If you know in advance that you may not be able to take your scheduled break or meal period, let your management know; in addition, notify your management as soon as possible if you were unable to or prohibited from taking a meal or rest period.

Overtime

If you are nonexempt, you may qualify for overtime pay. All overtime must be approved in advance, in writing, by your management.

At certain times WBE Traffic Control Inc. may require you to work overtime. We will attempt to give as much notice as

possible in this instance. However, advance notice may not always be possible. Failure to work overtime when requested or working unauthorized overtime may result in discipline, up to and including discharge.

Unless otherwise required or exempted by law, overtime pay of one and one-half times your regular rate of pay is paid for any hours worked in excess of 40 hours in a workweek. Holidays, vacation days, and sick leave days do not count as time worked for computing overtime.

Pay Period

At WBE Traffic Control Inc., the standard pay period is weekly for all employees. Pay dates are Friday. If a pay date falls on a holiday, you will be paid on the preceding workday. Special provisions may be required from time to time if holidays fall on pay dates. Check with your management if this type of date arises.

Review your paycheck for accuracy. If you find an issue, report it to your management immediately.

Benefits

Jury Duty Leave

WBE Traffic Control Inc. encourages employees to fulfill their civic duties related to jury duty. If you receive a summons to report to jury duty, you must show the summons to your immediate supervisor on your next day of work. You will be granted leave for the duration of the required jury duty.

Full-time employees will receive their regular compensation while serving on jury duty. For part-time employees, time spent engaged in attending court for prospective jury service or for serving as a juror is not compensable; however, exempt employees will not incur any reduction in pay for a partial week's absence due to jury duty.

If you are called to jury duty, you will not be requested or required to use annual, sick, unpaid, or vacation leave for participating in the jury selection process or serving on a jury.

The Company reserves the right to require employees to provide proof of jury duty service to the extent authorized by law.

The Company will not retaliate against employees who request or take leave in accordance with this policy.

You must provide your management with reasonable advance notice of the need for time off to vote. WBE Traffic Control Inc. may specify the hours during which you may be absent to vote.

- Any other form of documentation that reasonably verifies that the crime or abuse occurred.

Unpaid Leave

If you are a victim, the Company will also provide you with unpaid leave to obtain or attempt to obtain any relief, including, but not limited to, a temporary restraining order, restraining order, or other injunctive relief, to help ensure the health, safety, or welfare of you or your child.

You may use available vacation, personal leave, accrued paid sick leave, or compensatory time off for your leave unless you are covered by a collective bargaining agreement that states otherwise.

Consistent with this commitment, the Company will provide reasonable accommodation to otherwise qualified individuals where appropriate to allow the individual to perform the essential functions of the job, unless doing so would create an undue hardship on the business.

If you require an accommodation because of your disability, it is your responsibility to notify your management. You may be asked to include relevant information such as:

- A description of the proposed accommodation.
- The reason you need an accommodation.
- How the accommodation will help you perform the essential functions of your job.

After receiving your request, the Company will engage in an interactive dialogue with you to determine the precise limitations of your disability and explore potential reasonable accommodations that could overcome those limitations. Where

appropriate, we may need your permission to obtain additional information from your medical provider. All medical information received by the Company in connection with a request for accommodation will be treated as confidential.

The Company encourages you to suggest specific reasonable accommodations that you believe would allow you to perform your job. However, the Company is not required to make the specific accommodation requested by you and may provide an alternative accommodation, to the extent any reasonable accommodation can be made without imposing an undue hardship on the Company.

In addition, this policy extends to conduct connected with an individual's work, even when the conduct takes place away from the workplace, such as a business trip or business-related social function.

Harassment

Harassment means disrespectful or unprofessional conduct, including disrespectful or unprofessional conduct based on an individual's race (including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twists), color, religion, religious creed (including religious dress and grooming practices), national origin, ancestry, citizenship, physical or mental disability, medical condition (including cancer and genetic characteristics), genetic information, marital status, reproductive health decision-making, sex (including pregnancy, childbirth, breastfeeding, or related medical conditions), gender (including gender identity and gender expression), age (40 years and over), sexual orientation, veteran and/or military status, protected medical leaves (requesting or approved for leave under the Family and Medical Leave Act or the California Family Rights Act), domestic violence victim status, political affiliation, or any other status protected by federal, state, or local laws.

While it is not possible to list all the circumstances that may constitute other forms of workplace harassment, some examples of conduct that may constitute workplace harassment include:

- The use of disparaging or abusive words or phrases, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to the above-protected categories;

Sexual Harassment

Sexual harassment means harassment based on sex or conduct of a sexual nature and includes harassment based on sex (including pregnancy, childbirth, breastfeeding, or related medical conditions), gender, gender identity, or gender expression. It may include all of the actions described above as harassment, as well as other unwelcome sex-based conduct, such as unwelcome or unsolicited sexual advances, requests for sexual favors, conversations regarding sexual activities, or other verbal or physical conduct of a sexual nature. Sexually harassing conduct need not be motivated by sexual desire and may include situations that began as reciprocal relationships, but that later cease to be reciprocal.

Sexual harassment is generally categorized into the following two types:

- Quid pro quo sexual harassment ("this for that"), which includes:
 - Submission to sexual conduct when made explicitly or implicitly a term or condition of an individual's employment.
 - Submission to or rejection of the conduct by an employee when used as the basis for employment decisions affecting the employee.
- Hostile work environment sexual harassment is conduct of a sexual nature or on the basis of sex by any person in the workplace that unreasonably interferes with an employee's work performance and/or creates an intimidating, hostile, or otherwise offensive working environment. Examples include:

Retaliation

Retaliation means any adverse employment action taken against an employee because the employee engaged in activity protected under this policy. Protected activities may include, but are not limited to, reporting or assisting in reporting suspected violations of this policy and/or cooperating in investigations or proceedings arising out of a violation of this policy.

Adverse employment action is conduct or an action that materially affects the terms and conditions of the employee's employment status or is reasonably likely to deter the employee from engaging in protected activity. Even actions that do not result in a direct loss of compensation may be regarded as an adverse employment action when considered in the totality of the circumstances.

Examples of retaliation under this policy include, but are not limited to: demotion, suspension, reduction in pay, denial of a merit salary increase, failure to hire or consider for hire, refusing to promote or consider for promotion because of reporting a violation of this policy, harassing another employee for filing a complaint, denying employment opportunities because of making a complaint or cooperating in an investigation, changing someone's work assignments for identifying harassment or other forms of discrimination in the workplace, treating people differently such as denying an accommodation, not talking to an employee when otherwise required by job duties, or otherwise excluding the employee from job-related activities because of engagement in activities protected under this policy.

Reporting Discrimination, Harassment, and/or Retaliation

If you feel that you have witnessed or have been subjected to any form of discrimination, harassment, or retaliation, immediately notify Human Resources or any member of management.

The Company prohibits retaliation against employees who, based on a reasonable belief, provide information about, complain, or assist in the investigation of any complaint of harassment or discrimination.

We will promptly and thoroughly investigate any claim and take appropriate corrective and/or remedial action where we find a claim has merit. If the Company begins an investigation, we will endeavor to conduct the investigation in a timely manner and will keep the investigation confidential to the extent possible. In the same way, anyone involved in an investigation of harassment has an obligation to keep all information about the investigation confidential. That is why the Company will only share information about a complaint of harassment with those who need to know about it. Failure to keep information about an investigation confidential may result in disciplinary action. Investigations will be documented and tracked for timely resolution.

When the investigation has been completed, the Company will normally communicate the results of the investigation to the complaining individual, to the alleged harasser, and, if appropriate, to others who are directly involved. If our policy against harassment is found to have been violated, appropriate corrective action, up to and including termination, will be taken against the harasser so that further harassment will be prevented. Both the rights of the alleged harasser and the complainant will be considered in any investigation and subsequent action.

Discipline for violation of this policy may include, but is not limited to, reprimand, suspension, demotion, transfer, and discharge. If the Company determines that harassment or discrimination occurred, corrective action will be taken to effectively end the harassment. As necessary, the Company may monitor any incident of harassment or discrimination to assure the inappropriate behavior has stopped. In all cases, the Company will follow up as necessary to ensure that no individual is retaliated against for making a complaint or cooperating with an investigation.

In addition to our internal complaint procedure, employees may also contact either the Equal Employment Opportunity Commission (EEOC) or the California Civil Rights Department (CRD) to report unlawful harassment. You must file a complaint with the CRD within three years of the alleged unlawful action. The EEOC and the CRD serve as neutral factfinders and will attempt to assist the parties to voluntarily resolve their disputes. For more information, contact the Office of Human Resources or the nearest EEOC or CRD office.

Religious Accommodation

WBE Traffic Control Inc. is dedicated to treating its employees equally and with respect and recognizes the diversity of their religious beliefs. All employees, unpaid interns, and volunteers may request an accommodation when their religious beliefs cause a deviation from the Company dress or grooming code, or the individual's schedule, basic job duties, or other aspects of employment. The Company will consider the request, but reserves the right to offer its own accommodation to the extent permitted by law. Some, but not all, of the factors that the Company will consider are cost, the effect that an accommodation will have on current established policies, and the burden on operations — including other employees — when determining a reasonable accommodation. At no time will the Company question the validity of a person's belief.

If you require a religious accommodation, speak with your management or Human Resources.

Wage and Hour Policies

Accommodations for Nursing Mothers

Accommodations for Nursing Mothers

WBE Traffic Control Inc. is required by law to provide requesting employees who are nursing mothers with certain accommodations to express milk. Accordingly, the Company will provide nursing mothers with:

- Reasonable break time to express milk for their infant child each time the mother has the need to express milk; and
- A private room or other location, other than a restroom, in close proximity to their work area that is shielded from view and free from intrusion to express breast milk.

Requesting Accommodation

- If you have the need for accommodations, contact Human Resources. Field employees should contact Human Resources for the best possible options for a private and clean expression area.
- If the Company cannot provide break time or a location that complies with the above, the Company will provide you with a written response.

Break Times

Regarding break times, employees may use regular paid rest breaks or may take other reasonable break time when needed. If possible, the break time should run concurrently with scheduled meal and rest breaks already provided to you. If the break time cannot run concurrently with meal and rest breaks already provided or additional time is needed, break times will be unpaid except where federal or state law dictates otherwise.

Lactation Room or Location

The provided lactation room or location will:

- Be safe, clean, and free of hazardous materials.
- Contain a surface to place a breast pump and personal items.
- Contain a place to sit.
- Have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump.
- Field employees should contact Human Resources for the best possible options for a private and clean expression area.

Multipurpose rooms may be used as lactation space if they satisfy the above requirements; however, use of the room for lactation purposes must take priority over other uses.

Milk Storage

Expressed milk can be stored in company refrigerators. Sufficiently mark or label your milk to avoid confusion for other employees who may share the refrigerator. If a refrigerator cannot be provided, the Company will provide another cooling device suitable for storing milk. You may also elect to bring a personal cooler for storage.

Retaliation

The Company will not retaliate against employees who request or obtain an accommodation in accordance with this policy.

Right to File Complaint

If you feel the Company is not providing you with adequate break time and/or a place to express milk as provided for in Labor Code § 1030, you may file a report/claim with the Labor Commissioner's Bureau of Field Enforcement (BOFE) at the BOFE office nearest your place of employment. The complaint must be filed within three years of the alleged unlawful action.

In addition, if you believe you have been a victim of retaliation for either asserting a right to lactation accommodation or for complaining to the Labor Commissioner about the failure of the Company to provide this accommodation, you may file a retaliation claim with the Labor Commissioner's Office pursuant to Labor Code § 98.7. This claim must be filed within six months of the alleged retaliation.

The Company requests that employees observe and accurately record meal periods in time and attendance records. Notify your management as soon as possible if you were unable or were prohibited from taking an uninterrupted scheduled meal or rest period.

Union Employee Meal Periods

The Company requires union employees to observe and accurately record meal periods on their timecards.

Anytime an employee is aware that they will miss a meal due to standard industry reasons, they must contact their Area Manager or Director of Field Operations so they can attempt to arrange relief. If relief is not possible, missed meals shall be paid in accordance with Union policy. All missed meals must be marked on timecards with a signature and date.

Overtime

If you are nonexempt, you may qualify for overtime pay. All overtime must be approved in advance, by your management.

At certain times WBE Traffic Control Inc. may require you to work overtime. We will attempt to give as much notice as possible in this instance. However, advance notice may not always be possible. Failure to work overtime when requested or working unauthorized overtime may result in disciplinary action, up to and including termination.

If you are nonexempt and work more than eight hours in any workday or more than six days in any workweek, you will be paid overtime at a rate of:

- One and one-half times your regular rate of pay for all hours worked in excess of eight hours up to and including 12 hours in any workday, and for the first eight hours worked on the seventh consecutive day of work in a workweek.
- Two times your regular rate for all hours worked in excess of 12 hours in a workday or in excess of eight hours on the seventh consecutive day of work in a workweek.

If you are nonexempt and work more than 40 hours in a workweek you may be entitled to overtime after any daily overtime hours are subtracted. The same hours are never counted against different overtime limits.

Holidays, vacation days, and sick leave days do not count as time worked for computing overtime.

Pay Period

WBE Traffic Control Inc. pays all employees weekly on Friday for the pay period that ends on the previous Sunday. If a payday falls on a weekend or holiday, you normally will be paid on the last business day before the weekend or holiday.

Review your paycheck for accuracy and report any concerns to your management immediately. If you have been overpaid or underpaid, the error will be corrected as soon as possible.

Intermittent Leave

When medically necessary, leave may be taken on an intermittent or a reduced work schedule.

Notice

If the need for leave is foreseeable (such as the birth of a child or planned medical treatment), you must provide reasonable advance notice and make a reasonable effort to schedule leave so that it will not unduly disrupt Company operations. If the second opinion differs from the original certification, the Company may again require, at its own expense, that you obtain a third opinion from a different health care provider designated or approved jointly by you and the Company. The third opinion will be considered final and binding.

Return to Work

If you take leave for your own serious health condition, you must obtain certification from your health care provider that you are able to resume work.

Reinstatement

Upon return to work at the end of leave, you will be placed in your original job or an equivalent job with equivalent pay and benefits. Non-Union Employees

WBE Traffic Control Inc. will provide employees, who have been employed with the Company for at least 90 days, with a paid leave of absence for the purpose of donating organs or bone marrow.

When donating bone marrow, you may take up to five paid business days in any one-year period. The one-year period for leave is measured from the date leave begins.

The Company will provide employees with a leave of absence of up to 60 business days in a one-year period when donating an organ. The first 30 business days are paid; the remaining leave may be unpaid. The one-year period is measured from the date leave begins.

Leave taken under this policy does not constitute a break in service for health insurance coverage, accrual of vacation or sick pay, or seniority; however, *the leave may not run concurrently with the federal Family and Medical Leave Act or California Family Rights Act leave.*

The Company will not retaliate against employees who request or take leave in accordance with this policy.

If advance notice is not possible, you must provide appropriate documentation within a reasonable time after the absence.

Any absence from work to attend judicial proceedings will be unpaid, unless you choose to take paid time off, such as accrued vacation or personal holiday.

The Company will not retaliate against employees who request or take leave in accordance with this policy.

Disability Insurance

If you are unable to work for at least eight days due to a non-work-related illness or injury, or a pregnancy-related disability, you may be eligible for disability insurance benefits. Disability insurance is a component of California's State Disability Insurance (SDI) program, which is administered by the California Employment Development Department (EDD) and is funded by workers through SDI payroll deductions. To apply for this benefit, you must provide written notice of the disability, including a doctor's certificate stating the nature of the disability and your expected date of return to work.

The SDI program does not create a right to a leave of absence, job protection, or job reinstatement.

Leave under this policy will run concurrently with other types of leave where permitted under applicable law.

The Company will maintain the confidentiality of anyone requesting time off under this policy, except as required by federal or state law or as necessary to protect your safety in the workplace.

The Company will not retaliate against a victim of crime or abuse for requesting or taking leave in accordance with this policy.

Sick leave may be taken for the following reasons:

- The diagnosis, care, or treatment of an existing health condition, or preventive care for you or your family member.
- To seek care, psychological counseling, shelter or support services, safety-related measures, or any relief, including restraining orders, to help ensure your own or your child's health, safety, or welfare if you or your child is a victim of domestic violence, sexual assault, or stalking.

Family member means:

- Your children (including biological, adopted, or foster children, legal wards, children of a domestic partner, or children for whom you stand in loco parentis).
- Your spouse or registered domestic partner.
- Your parents or your spouse or registered domestic partner's parents (including biological, foster, and step-parents; adoptive parents; legal guardians; or persons who stood in loco parentis when you, or your spouse or domestic partner, was a minor child).
- Your grandparents.
- Your grandchildren.
- Your siblings.

Amount of Leave and Usage

Eligible employees are provided with 24 hours of paid sick leave at the beginning of each leave year. For purposes of this policy, the leave year is a calendar year. You will not be allowed to carry over any unused sick leave to the next leave year.

You must work 90 days before you can use paid sick leave. Any unused sick leave expires at the end of the leave year and does not carry over to the following leave year.

You may only use 24 hours (three days) of paid sick leave per leave year.

If your need for leave is foreseeable, you must provide as much advance notice as possible. If unforeseeable, provide notice as soon as practical. If known, notice should include the expected length of the absence and return date.

Documentation

The Company may request documentation verifying the appropriate use of leave.

Payment Upon Termination

You will not be paid for any unused sick leave when your employment ends.

Interaction with Other Leave

Sick leave will run concurrently with other types of leave where permitted under applicable law.

Retaliation

The Company will not retaliate against eligible employees who request or take leave in accordance with this policy.

Pregnancy Disability Leave

If you are disabled by pregnancy, childbirth, or a related medical condition, WBE Traffic Control Inc. will provide you with up

to four months of unpaid pregnancy disability leave (PDL).

Eligibility

To be eligible for PDL, you must suffer from a pregnancy-related disability. A **pregnancy-related disability** is a physical or mental condition related to pregnancy or childbirth that prevents you from performing the essential duties of your job, or would cause undue risk to you or your pregnancy's successful completion.

Conditions for which PDL is available include, but are not limited to:

- Severe morning sickness.
- Prenatal or postnatal care.
- Doctor ordered bed rest.
- Gestational diabetes.
- Pregnancy-induced hypertension.
- Preeclampsia.
- Post-partum depression.
- Lactation conditions such as mastitis.
- Loss or end of pregnancy.
- Recovery from loss or end of pregnancy.

Use of Leave

PDL may be taken before or after birth during any period of time (not to exceed four months) where you are physically unable to work due to your pregnancy-related disability. You may take PDL all at once or intermittently.

Where applicable under state and federal law, employees who qualify and are entitled to take PDL may also be eligible for leave under the California Family Rights Act (CFRA) and the federal Family and Medical Leave Act (FMLA). PDL and FMLA run concurrently. CFRA leave will be counted separately from PDL. CFRA leave will also be counted separately from FMLA leave taken for pregnancy disability, childbirth, or related medical conditions. An additional 12 weeks of bonding leave may also be available to qualified individuals. Speak with your management about your eligibility for these leaves.

Notice and Leave Request Process

Foreseeable Need for Leave

If the need for leave is foreseeable because of an expected birth/adoption or planned medical treatment, you must give at least 30 days' notice. If 30 days' notice is not practicable, give notice as soon as possible. You are expected to complete and return a leave request form prior to the beginning of leave. Failure to provide appropriate notice and/or complete and return the necessary paperwork will result in the delay or denial of leave.

Unforeseeable Need for Leave

If the need for leave is unforeseeable, provide notice as soon as practicable and possible under the facts of the particular case. Normal call-in procedures apply to all absences from work including those for which leave under this policy may be requested. Complete and return the necessary leave request form as soon as possible to obtain the leave. Failure to provide appropriate notice and/or complete and return the necessary paperwork on a timely basis will result in the delay or denial of leave.

Leave Request Process

To request leave under this policy, obtain a leave request form from your management and return the completed form to Human Resources. If the need for leave is unforeseeable and you will be absent more than three days, contact your management by telephone and request that a leave form be mailed to your home. If leave will be fewer than three days, complete and return the leave request form upon returning to work.

Call-In Procedures

In all instances of absence, follow the call-in procedures and standards established for giving notice of absence from work.

Certification and Fitness for Duty Requirements

When requesting PDL, you must provide certification from a health care provider to qualify for leave. Such certification must be provided within 15 days of the request for leave unless it is not practicable under the circumstances despite your diligent efforts. Failure to provide certification may result in leave being delayed, denied, or revoked. At the discretion of the Company, you may also be required to obtain a second and third certification from another health care provider at Company expense (except for military care leave). Recertification of the continuance of a serious health condition or an injury/illness of a military service member will also be required at appropriate intervals.

Temporary Transfer and Other Accommodations

If you are suffering from a pregnancy related disability, you are entitled to a temporary transfer to another position or other reasonable accommodation based on the pregnancy-related disability if you request the transfer or reasonable accommodation and the request is based on the medical certification of a health care provider that a transfer or reasonable accommodation is medically advisable, and the request can be reasonably accommodated by the Company. All employees who are transferred to accommodate a pregnancy-related disability have the same reinstatement and other rights described below with respect to pregnancy-related disability leaves.

The Company may also require you to transfer temporarily to an available alternative position with the same pay and benefits in order to accommodate your need for intermittent leave or a reduced work schedule.

Non-Union Employees

Paid Leave Utilization During Pregnancy Leave

You will be required to use any available sick leave during PDL; however, you may opt to use any available PTO/vacation during your PDL in order to receive compensation.

If you are on PDL for eight or more consecutive calendar days, you may be eligible for partial wage replacement benefits under the California State Disability Insurance (SDI) program. You are responsible for applying for these benefits and can obtain forms from your health care provider.

Non-Union Employee Benefits

If the Company provides you with health benefits under a group health plan, the Company will maintain and pay for your health coverage at the same level and under the same conditions as coverage would have been provided if you had not taken pregnancy disability leave. If you do not return to work at the end of your pregnancy disability leave, the Company may recover the payment for your premiums under certain circumstances.

Return to Work

Upon returning to work at the end of leave, you will be placed in your original job or an equivalent job with equivalent pay and benefits. You will not lose any benefits that accrued before leave was taken. You may not, however, be entitled to discretionary raises, promotions, bonus payments, or other benefits that become available during leave.

At the completion of PDL, you will be required to obtain a release to return to work from your health care provider stating that you are able to resume your original job or duties.

Failure to Return

If you fail to return to work or fail to make a request for an extension of leave prior to the expiration of the leave, you will be deemed to have voluntarily terminated your employment.

Alternative Employment

While on leave of absence, you may not work or be gainfully employed either for yourself or others unless express, written permission to perform such outside work has been granted by the Company. If you are on a leave of absence and are found to be working elsewhere without permission, you will be automatically terminated.

False Reason for Leave

You will be terminated if you provide a false reason for a leave.

Retaliation

The Company will not retaliate against employees who request or take leave in accordance with this policy.

School and Childcare Activities Leave

Union Employees

WBE Traffic Control Inc. will abide by Union Local policies. Such employees may or may not be eligible for the provisions below and should contact their Union Representative.

WBE Traffic Control Inc. will provide eligible employees, who have one or more children that are of the age to attend a licensed child care provider, kindergarten, or grades 1 through 12, with up to 40 hours of leave per year to participate in the following:

- Finding, enrolling, or re-enrolling the child in a school or with a licensed child care provider;
- Participating in school or child care-related activities; or
- Addressing a child care provider or school emergency.

Leave is limited to eight hours in any calendar month.

To be eligible for leave, you must be a parent, guardian, step-parent, foster parent, grandparent, or a person who stands in the place of a parent (in loco parentis) to a child.

If you wish to take leave to enroll a child in school or with a child care provider or to participate in a school or child care-related activity, you must provide reasonable advance notice to your management. If you need to take leave to address a child care provider or school emergency, you must provide notice to your management as soon as practicable. You may be required to provide documentation from the school or child care provider verifying that you participated in the school or child care activity.

If both parents of a child work for the Company, only one parent — the first to provide notice — may take the time off, unless the Company approves both parents taking time off simultaneously.

Non-Union employees are required to use accrued vacation time for this leave.

The Company will not retaliate against eligible employees who request or take leave in accordance with this policy.

Voting Leave

If your work schedule prevents you from voting on Election Day, WBE Traffic Control Inc. will allow you a reasonable time off to vote. The time when you can go to vote will be at the discretion of your management, consistent with applicable legal requirements.

Witness Leave

If you are required by law to appear in court as a witness, you may take unpaid time off to do so, provided you give WBE

Traffic Control Inc. reasonable advance notice.

Safety and Loss Prevention

Heat Illness Prevention

WBE Traffic Control Inc. is committed to complying with all applicable laws and ensuring that employees avoid heat illness while working outside. Heat illness may begin with mild symptoms and progress quickly to signs of serious and life-threatening illness. All employees who work outdoors and are reasonably anticipated to be exposed to the risk of heat illness will be provided detailed training before starting work involving a risk of heat illness.

This policy ensures that employees working outdoors understand they are allowed and encouraged to take preventative cool-down rest periods in provided shaded areas whenever they feel the need to protect themselves from overheating.

You may also be asked to take a cool-down rest period if you are observed having any signs of heat illness. Access to shade is permitted at all times. Cool-down periods are not limited in frequency and are considered time worked.

When taking a preventative cool-down rest period:

- You will be monitored and asked if you are experiencing any symptoms of heat illness.
- You will be encouraged to remain in the shade.
- You will not be ordered back to work until any signs or symptoms of heat illness have abated, but in no event sooner than five minutes after accessing shade, excluding the time needed to access the shade.

The Company provides fresh, pure, and suitably cool drinking water at no charge. When the work environment is hot, you are encouraged to frequently drink small cups of water, with up to four cups (one quart or more) per hour recommended, to stay hydrated.

The Company has in place effective emergency response procedures if you show signs or report symptoms of heat illness while taking a preventative cool-down rest period.

You must immediately report to your management if you experience any symptoms or signs of heat illness or see signs of heat illness in co-workers so that the Company can respond with medical attention, as appropriate.

The Company will not discriminate or retaliate against employees who take preventative cool-down rest periods in accordance with this policy.

Disability Accommodation

WBE Traffic Control Inc. complies with the Americans with Disabilities Act (ADA), the Pregnancy Discrimination Act, and all applicable state and local fair employment practices laws, and is committed to providing equal employment opportunities to qualified individuals with disabilities, including disabilities related to pregnancy, childbirth, and related conditions. Consistent with this commitment, the Company will provide reasonable accommodation to otherwise qualified individuals where appropriate to allow the individual to perform the essential functions of the job, unless doing so would create an undue hardship on the business.

If you require an accommodation because of your disability, it is your responsibility to notify your management. You may be asked to include relevant information such as:

- A description of the proposed accommodation.
- The reason you need an accommodation.
- How the accommodation will help you perform the essential functions of your job.

After receiving your request, the Company will engage in an interactive dialogue with you to determine the precise limitations of your disability and explore potential reasonable accommodations that could overcome those limitations. Where appropriate, we may need your permission to obtain additional information from your medical provider. All medical information received by the Company in connection with a request for accommodation will be treated as confidential.

The Company encourages you to suggest specific reasonable accommodations that you believe would allow you to perform your job. However, the Company is not required to make the specific accommodation requested by you and may provide an alternative accommodation, to the extent any reasonable accommodation can be made without imposing an undue hardship on the Company.

If leave is provided as a reasonable accommodation, such leave may run concurrently with leave under the federal Family and Medical Leave Act and/or any other leave where permitted by state and federal law.

The Company will not discriminate or retaliate against employees for requesting an accommodation.

EEO Statement and Nonharassment Policy

Equal Opportunity Statement

WBE Traffic Control Inc. is committed to the principles of equal employment. We are committed to complying with all federal, state, and local laws providing equal employment opportunities, and all other employment laws and regulations. The Illinois Human Rights Act states that employees have the right to be free from unlawful discrimination and sexual harassment. It is our intent to maintain a work environment that is free of harassment, discrimination, or retaliation because of an individual's actual or perceived age (40 and older), race (including traits associated with race, which include, but are not limited to, hair texture and protective hairstyles such as braids, locks, and twists), color, national origin, ancestry, religion, sex, sexual orientation (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), marital status, order of protection status, citizenship status, employment status, arrest or conviction record (unless otherwise authorized by law), credit history, crime victim status, physical or mental disability, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, unfavorable discharge from military service, work authorization status, or any other status protected by federal, state, or local laws.

In addition, if you have a disability or are pregnant, recovering from childbirth, or have a medical or common condition

related to pregnancy that affects your ability to perform your job, you have the right to request one or more reasonable accommodations. A **reasonable accommodation** means a modification to access to the work site or an adjustment to the work process or work schedule that would enable you to perform your job despite your disability or condition.

The Company is dedicated to the fulfillment of this policy in regard to all aspects of employment, including but not limited to recruiting, hiring, placement, transfer, training, promotion, rates of pay, and other compensation, termination, and all other terms, conditions, and privileges of employment.

The Company will conduct a prompt and thorough investigation of all allegations of discrimination, harassment, retaliation, or any violation of the Equal Employment Opportunity Policy in a confidential manner. The Company will take appropriate corrective action, if and where warranted. The Company prohibits retaliation against employees who provide information about, complain about, or assist in the investigation of any complaint of discrimination or violation of the Equal Employment Opportunity Policy.

We are all responsible for upholding this policy. You may discuss questions regarding equal employment opportunity with your management or any other designated member of management.

Policy Against Workplace Harassment

WBE Traffic Control Inc. has a strict policy against all types of workplace harassment, including sexual harassment and other forms of workplace harassment based upon an individual's actual or perceived age (40 and older), race (including traits associated with race, which include, but are not limited to, hair texture and protective hairstyles such as braids, locks, and twists), color, national origin, ancestry, religion, sex, sexual orientation (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), marital status, order of protection status, citizenship status, employment status, arrest or conviction record (unless otherwise authorized by law), credit history, crime victim status, physical or mental disability, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, unfavorable discharge from military service, work authorization status, or any other status protected by federal, state, or local laws. All forms of harassment of, or by, employees, non-employees including contractors and consultants, vendors, visitors, customers, and clients are strictly prohibited and will not be tolerated.

Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly as a term or condition of an individual's employment; (2) submission to, or rejection of, such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment. An individual's work environment is not limited to the physical location where an individual is assigned to perform work duties.

While it is not possible to identify every act that constitutes or may constitute sexual harassment, the following are some examples of sexual harassment:

- Unwelcome requests for sexual favors;
- Lewd or derogatory comments or jokes;
- Comments regarding sexual behavior or the body of another;
- Sexual innuendo and other vocal activity such as catcalls or whistles;
- Obscene letters, notes, emails, invitations, photographs, cartoons, articles, or other written or pictorial materials of a sexual nature;
- Repeated requests for dates after being informed that interest is unwelcome;
- Retaliating against another for refusing a sexual advance or reporting an incident of possible sexual harassment to the Company or any government agency;
- Offering or providing favors or employment benefits such as promotions, favorable evaluations, favorable assigned duties or shifts, etc., in exchange for sexual favors; and
- Any unwanted physical touching or assaults, or blocking or impeding movements.

Other Harassment

Harassment is any unwelcome conduct on the basis of an individual's actual or perceived age (40 and older), race (including traits associated with race, which include, but are not limited to, hair texture and protective hairstyles such as braids, locks, and twists), color, national origin, ancestry, religion, sex, sexual orientation (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), marital status, order of protection status, citizenship status, employment status, arrest or conviction record (unless otherwise authorized by law), credit history, crime victim status, physical or mental disability, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, unfavorable discharge from military service, work authorization status, or any other status protected by federal, state, or local laws that has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. An individual's work environment is not limited to the physical location where an individual is assigned to perform work duties.

Again, while it is not possible to list all the circumstances that may constitute other forms of workplace harassment, the following are some examples of conduct that may constitute workplace harassment:

- The use of disparaging or abusive words or phrases, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to the above-protected categories;
- Written or graphic material that insults, stereotypes, or shows aversion or hostility toward an individual or group because of one of the above-protected categories and that is placed on walls, bulletin boards, or elsewhere on our premises, in emails or voicemails, or otherwise circulated in the workplace; and
- A display of symbols, slogans, or items that are associated with hate or intolerance toward any select group.

Reporting Discrimination and Harassment

If you feel that you have witnessed or have been subjected to any form of discrimination or harassment, immediately notify [[name, title, phone number, email]] or any member of management.

The Company prohibits retaliation against employees who, based on a reasonable belief, provide information about, complain, or assist in the investigation of any complaint of harassment or discrimination.

We will promptly and thoroughly investigate any claim and take appropriate action where we find a claim has merit. To the extent possible, we will retain the confidentiality of those who report suspected or alleged violations of the harassment policy.

Discipline for violation of this policy may include, but is not limited to, reprimand, suspension, demotion, transfer, and discharge. If the Company determines that harassment or discrimination occurred, corrective action will be taken to effectively end the harassment. As necessary, the Company may monitor any incident of harassment or discrimination to assure the inappropriate behavior has stopped. In all cases, the Company will follow up as necessary to ensure that no individual is retaliated against for making a complaint or cooperating with an investigation.

Resolution Outside Company

The purpose of this policy is to establish prompt, thorough, and effective procedures for responding to every complaint and incident so that problems can be identified and remedied internally. However, you have the right to file a complaint with the Illinois Department of Human Rights (IDHR) or the federal Equal Employment Opportunity Commission (EEOC). If you choose to file a complaint with one of these agencies, you must file it within 300 calendar days of the alleged discriminatory act.

Religious Accommodation

WBE Traffic Control Inc. is dedicated to treating its employees equally and with respect and recognizes the diversity of their religious beliefs. All employees may request an accommodation when their religious beliefs cause a deviation from the Company dress code or the individual's schedule, basic job duties, or other aspects of employment. The Company will consider the request, but reserves the right to offer its own accommodation to the extent permitted by law. Some, but not all, of the factors that will be considered are cost, the effect that an accommodation will have on current established policies, and the burden on operations — including other employees — when determining a reasonable accommodation. At no time will the Company question the validity of a person's belief.

If you require a religious accommodation, speak with your management [[or appropriate department]].

Wage and Hour Policies

One Day Rest in Seven

In accordance with Illinois law, nonexempt employees are entitled to 24 consecutive hours of rest in every consecutive seven-day period, in addition to the regular period of rest allowed at the close of each working day. This does not apply to part-time employees whose total work hours do not exceed 20 hours during a calendar week.

Accommodations for Nursing Mothers

Accommodations for Nursing Mothers

WBE Traffic Control Inc. is required by law to provide requesting employees who are nursing mothers with certain accommodations to express milk. Accordingly, the Company will provide nursing mothers with:

- Reasonable break time to express milk for their infant child each time the mother has the need to express milk; and
- A private room or other location, other than a restroom, in close proximity to their work area that is shielded from view and free from intrusion to express breast milk.

Requesting Accommodation

- If you have the need for accommodations, contact Human Resources. Field employees should contact Human Resources for the best possible options for a private and clean expression area.
- If the Company cannot provide break time or a location that complies with the above, the Company will provide you with a written response.

Break Times

Regarding break times, employees may use regular paid rest breaks or may take other reasonable break time when needed. If possible, the break time should run concurrently with scheduled meal and rest breaks already provided to you. If the break time cannot run concurrently with meal and rest breaks already provided or additional time is needed, break times will be unpaid except where federal or state law dictates otherwise.

Lactation Room or Location

The provided lactation room or location will:

- Be safe, clean, and free of hazardous materials.
- Contain a surface to place a breast pump and personal items.
- Contain a place to sit.
- Have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump.

Multipurpose rooms may be used as lactation space if they satisfy the above requirements; however, use of the room for lactation purposes must take priority over other uses.

Milk Storage

Expressed milk can be stored in company refrigerators. Sufficiently mark or label your milk to avoid confusion for other employees who may share the refrigerator. If a refrigerator cannot be provided, the Company will provide another cooling device suitable for storing milk. You may also elect to bring a personal cooler for storage.

Retaliation

The Company will not retaliate against employees who request or obtain an accommodation in accordance with this policy.

Meal and Rest Periods

WBE Traffic Control Inc. strives to provide a safe and healthy work environment and complies with all federal and state regulations regarding meal and rest periods. Check with your management regarding procedures and schedules for rest and meal breaks. The Company requests that employees accurately observe and record meal and rest periods.

Meal breaks of at least 20 minutes are mandatory for all employees who are scheduled or required to work a shift of at least 7.5 hours. Typically, your break will be scheduled to start after you have completed four hours of work, but in no event will it be scheduled more than five hours after your shift start. If you are scheduled to or anticipate working at least 7.5 continuous hours, you must ensure you take a break. If you work more than 7.5 hours, you are also entitled to an additional 20-minute meal period for every additional 4.5 hours worked. For purposes of this policy, a meal period does not include reasonable time spent using the restroom.

Overtime

If you are nonexempt, you may qualify for overtime pay. All overtime must be approved in advance, in writing, by your management.

At certain times WBE Traffic Control Inc. may require you to work overtime. We will attempt to give as much notice as possible in this instance. However, advance notice may not always be possible. Failure to work overtime when requested or working unauthorized overtime may result in discipline, up to and including discharge.

Unless otherwise required or exempted by law, overtime pay of one and one-half times your regular rate of pay is paid for any hours worked in excess of 40 hours in a workweek. Holidays, vacation days, and sick leave days do not count as time worked for computing overtime.

Pay Period

At WBE Traffic Control Inc., the standard pay period is [[weekly, biweekly, semimonthly, etc.]] for all employees. Pay dates are [[insert day or dates]]. If a pay date falls on a holiday, you will be paid on [[the preceding workday]]. [[If a pay date falls on a Saturday or Sunday, you will be paid on [the preceding Friday].]] Special provisions may be required from time to time if holidays fall on pay dates. Check with your management if this type of date arises. [[Insert other special circumstances here, if applicable, or revise previous language as applicable.]]

If you are paid by commission, refer to your commission agreement.

Review your paycheck for accuracy. If you find an issue, report it to your management immediately.

Performance, Discipline, Layoff, and Termination

Disciplinary Process

Violation of WBE Traffic Control Inc. policies or procedures may result in disciplinary action including demotion, transfer, leave without pay, or termination of employment. The Company encourages a system of progressive discipline depending on the type of prohibited conduct. However, the Company is not required to engage in progressive discipline and may discipline or terminate employees who violate the rules of conduct, or where the quality or value of their work fails to meet expectations at any time. Again, any attempt at progressive discipline does not imply that your employment is anything other than on an "at-will" basis.

In appropriate circumstances, management will first provide you with a verbal warning, then with one or more written warnings, and if the conduct is not sufficiently altered, eventual demotion, transfer, forced leave, or termination of employment. Your management will make every effort possible to allow you to respond to any disciplinary action taken. Understand that while the Company is concerned with consistent enforcement of our policies, we are not obligated to follow any disciplinary or grievance procedure and that depending on the circumstances, you may be disciplined or terminated without any prior warning or procedure.

Retaliation

The Company will not retaliate or discriminate against employees who request or take leave in accordance with this policy.

Reasons for Leave

You may use bereavement leave for the following reasons:

- To attend the funeral (or alternative service) of a family member.
- To make arrangements due to the death of a family member.
- To grieve the death of a family member.
- For absences from work due to a miscarriage, an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, a failed adoption match or an adoption that is not finalized because it is contested by another party, a failed surrogacy agreement, a diagnosis that negatively impacts pregnancy or fertility, or a stillbirth.

Bereavement leave must be completed within 60 days after the date on which you receive notice of your family member's death.

Where applicable, you may substitute any available paid leave for leave taken under this policy. This policy does not create any right to take more unpaid leave than is allowed under, or in addition to, the unpaid leave permitted by the federal Family and Medical Leave Act.

This leave may run concurrently with leave under the federal Family and Medical Leave Act and/or any other leave, including paid leave, as permitted by state and federal law.

Notice

You must provide the Company with at least 48 hours advance notice of your intent to take bereavement leave, unless such notice is not reasonable or practical.

You may be required to provide reasonable documentation supporting your need for leave. Reasonable documentation may include:

- A death certificate, a published obituary, or written verification of death, burial, or memorial services from a mortuary, funeral home, burial society, crematorium, religious institution, or government agency;
- A form filled out by the health care practitioner who treated you, your family member, or surrogate;
- Documentation from the adoption agency showing a failed match or contested adoption; or
- Documentation from the surrogacy agency showing a failed surrogacy agreement.

You will not be required to identify which category of event the leave pertains to as a condition of taking bereavement leave.

Retaliation

The Company will not retaliate against employees who request or take leave in accordance with this policy.

Blood Donation Leave

Upon request, WBE Traffic Control Inc. will provide eligible employees with up to one hour of paid leave to donate, or attempt to donate, blood every 56 days in accordance with appropriate medical standards established by the American Red Cross, America's Blood Centers, the American Association of Blood Banks, or other nationally recognized standards.

Full-time employees who have been employed by the Company for six months or longer and have obtained Company approval for the time off are eligible for blood donation leave.

You will not be required to use accrued or future vacation or sick leave while taking time off to donate blood.

When requesting time off for this purpose, submit medical documentation of the appointment to donate blood to your management prior to the appointment. This documentation may consist of a written statement from the blood bank indicating that you have an appointment. The Company may request that you provide a written statement from the blood bank confirming that you kept the appointment.

You will retain the one hour of paid leave if the attempt to donate blood is unsuccessful.

The Company will not retaliate against employees who request or take leave in accordance with this policy.

Domestic/Sexual Violence Leave

In accordance with the Illinois Victims' Economic Security and Safety Act (VESSA), WBE Traffic Control Inc. offers eligible employees unpaid domestic or sexual violence leave (domestic violence leave) for a qualifying reason, with a guarantee of restoration to the same or an equivalent position on return from leave.

Eligibility

You are eligible for leave if you are the victim of domestic or sexual violence or have a family or household member who is the victim of domestic or sexual violence.

Qualifying Reasons for Leave

Domestic violence leave is available to:

- Seek medical attention for, or recover from, physical or psychological injuries caused by domestic or sexual violence against you or your family or household member.
- Obtain victim services for you or your family or household member.
- Obtain psychological or other counseling for you or your family or household member.
- Participate in safety planning, including temporary or permanent relocation or other actions to increase your or your household or family member's safety from future domestic or sexual violence.
- Seek legal assistance to ensure the health and safety of you or your household or family member, including participating in court proceedings related to the violence.

Duration of Leave

If eligible, you may take up to 12 weeks of unpaid domestic violence leave within any 12-month period. Leave is based on a rolling 12-month period, looking back from the date the leave would begin. Leave under this policy may be taken intermittently or on a reduced schedule basis.

Notice and Certification

To obtain leave under this policy, you must provide the Company with at least 48 hours' notice, except in emergency situations or where such notice is not otherwise practical. In all cases, either before or after you take leave under this policy,

the Company will require you to submit a sworn certification that your absence is for one of the qualifying reasons listed above and that you or a family or household member is a victim of domestic or sexual violence. The Company may also require you to submit the following supplemental information:

- Documents from a victim's services organization, member of the clergy, or medical professional from whom you or your family or household member sought assistance.
- A police report or court record.
- Other corroborating evidence.

All information and documentation you provide in connection with your request for leave under this policy, including the fact that you requested and/or obtained leave, will be held in the strictest confidence — except to the extent you request or consent to any disclosure in writing, or as otherwise required by law. Further, the Company specifically prohibits any discrimination, harassment, or retaliation against employees who request or take leave under this policy in good faith.

Terms of Leave

Domestic violence leave is unpaid leave. However, you may substitute accrued and unused PTO/vacation time for the unpaid leave. The substitution of paid vacation does not extend the leave period, but runs concurrently with it. Likewise, domestic violence leave runs concurrently with any leave available under the federal Family and Medical Leave Act (FMLA).

During leave, you must provide periodic reports (at least every 30 days) about your status and any change in your plans to return to work.

Maintenance of Benefits

During an approved domestic violence leave, the Company will maintain your health benefits as if you continue to be actively employed. If you choose not to return to work at the end of the leave period, you must reimburse the Company for the cost of any health benefit premiums paid to maintain your coverage during the leave, unless you cannot return to work because of continuation, re-occurrence, or onset of domestic or sexual violence or other circumstances beyond your control.

Family Military Leave

WBE Traffic Control Inc. will provide eligible employees who are the spouse, parent, child, or grandparent of a person called to military service with up to 30 days of unpaid military family leave during the time federal or state deployment orders are in effect.

Eligibility

To be eligible for leave, you must:

- Have been employed by the Company for at least 12 months;
- Have worked for the Company for at least 1,250 hours during the 12-month period immediately preceding the leave; and
- Be the spouse, parent, child, or grandparent of a person called to military service lasting longer than 30 days with the state or the United States pursuant to orders of the Governor or the President.

Notice and Certification

If you are taking family military leave for five or more consecutive workdays, you must provide at least 14 days' advance notice of the intended date to take leave. If possible, consult with your management to schedule leave so as not to unduly disrupt Company operations.

When taking family military leave for less than five consecutive days, provide advance notice as is practicable.

The Company may require verification of your eligibility for leave from the proper military authority.

Continuation of Benefits

During family military leave, you may continue any benefits, if applicable, at your own expense. No loss of seniority status will occur as a result of leave taken under this policy, nor will leave result in the loss of any benefits accrued prior to the leave.

Conditions of Leave

You may not take family military leave until you have exhausted all accrued vacation, personal, compensatory, or any other leave granted to you, with the exception of sick and disability leave. Where applicable, time off under this policy will run concurrently with time off under the federal Family and Medical Leave Act.

Reinstatement

Upon return from leave, you will be restored to your prior position or to a position with equivalent seniority status, benefits, pay, and other terms and conditions of employment.

Retaliation

The Company will not retaliate against employees who request or take leave in accordance with this policy.

Jury Duty Leave

WBE Traffic Control Inc. encourages employees to fulfill their civic duties related to jury duty. If you are summoned for jury duty you must notify the Company by providing a copy of the summons to your management within 10 days of the summons being issued.

You will be granted an unpaid leave of absence to attend jury duty. Make scheduling arrangements with your management. If you are classified as exempt, you will not incur any deduction in pay for a partial week's absence due to jury duty. If you are classified as nonexempt, you will not be compensated for time spent on jury duty. You may opt to use PTO/vacation in place of unpaid leave.

The Company reserves the right to require employees to provide proof of jury duty service to the extent authorized by law.

The Company will not retaliate against employees who request or take leave in accordance with this policy.

Voting Leave

If you request leave prior to the day of any election and your working hours begin less than two hours after the opening of the polls and end less than two hours before the polls close, you may take two hours of leave during the polling period for the purpose of voting. The time when you can go to vote will be at the discretion of your management, consistent with applicable legal requirements.

WBE Traffic Control Inc. realizes that, on occasion, employees may be subpoenaed to serve as witnesses in a criminal proceeding. In such cases, you will be provided unpaid leave to attend.

Upon receiving a subpoena, notify your management as soon as possible to make scheduling arrangements. You may opt to use PTO/vacation in place of unpaid leave.

If you require an accommodation because of your disability, it is your responsibility to notify your management. You may be asked to include relevant information such as:

- A description of the proposed accommodation.

All medical information received by the Company in connection with a request for accommodation will be treated as confidential.

The Company encourages you to suggest specific reasonable accommodations that you believe would allow you to perform your job. However, the Company is not required to make the specific accommodation requested by you and may provide an alternative accommodation, to the extent any reasonable accommodation can be made without imposing an undue hardship on the Company.

If leave is provided as a reasonable accommodation, such leave may run concurrently with leave under the federal Family and Medical Leave Act and/or any other leave where permitted by state and federal law.

The Company will not discriminate or retaliate against employees for requesting an accommodation.

Policy Against Workplace Harassment

WBE Traffic Control Inc. has a strict policy against all types of workplace harassment, including sexual harassment and other forms of workplace harassment based upon an individual's age (40 and older), race (including traits associated with race, which include, but are not limited to, hair texture and protective hairstyles such as natural hairstyles, afros, bantu knots, curls, braids, locks, and twists), color, national origin, ancestry, religion, sex, sexual orientation (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), physical or mental disability, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, or any other status protected by federal, state, or local laws. All forms of harassment of, or by, employees, vendors, visitors, customers, and clients are strictly prohibited and will not be tolerated.

Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly as a term or condition of an individual's employment; (2) submission to, or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

While it is not possible to identify every act that constitutes or may constitute sexual harassment, the following are some examples of sexual harassment:

- Unwelcome requests for sexual favors;
- Lewd or derogatory comments or jokes;
- Comments regarding sexual behavior or the body of another;
- Sexual innuendo and other vocal activity such as catcalls or whistles;
- Obscene letters, notes, emails, invitations, photographs, cartoons, articles, or other written or pictorial materials of a sexual nature;
- Repeated requests for dates after being informed that interest is unwelcome;
- Retaliating against another for refusing a sexual advance or reporting an incident of possible sexual harassment to the Company or any government agency;
- Offering or providing favors or employment benefits such as promotions, favorable evaluations, favorable assigned duties or shifts, etc., in exchange for sexual favors; and
- Any unwanted physical touching or assaults or blocking or impeding movements.

Other Harassment

Other workplace harassment is verbal or physical conduct that insults or shows hostility or aversion toward an individual because of the individual's age (40 and older), race (including traits associated with race, which include, but are not limited to, hair texture and protective hairstyles such as natural hairstyles, afros, bantu knots, curls, braids, locks, and twists), color, national origin, ancestry, religion, sex, sexual orientation (including transgender status, gender identity or expression), pregnancy (including childbirth, lactation, and related medical conditions), physical or mental disability, genetic information (including testing and characteristics), veteran status, uniformed servicemember status, or any other status protected by federal, state, or local laws.

Again, while it is not possible to list all the circumstances that may constitute other forms of workplace harassment, the following are some examples of conduct that may constitute workplace harassment:

- The use of disparaging or abusive words or phrases, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to the above protected categories;
- Written or graphic material that insults, stereotypes, or shows aversion or hostility toward an individual or group because of one of the above protected categories and that is placed on walls, bulletin boards, email, voicemail, or elsewhere on our premises, or circulated in the workplace; and
- A display of symbols, slogans, or items that are associated with hate or intolerance toward any select group.

Reporting Discrimination and Harassment

If you feel that you have witnessed or have been subjected to any form of discrimination or harassment, immediately notify Human Resources, 702-301-2927, alice@wbetc.com or any member of management.

The Company prohibits retaliation against employees who, based on a reasonable belief, provide information about, complain, or assist in the investigation of any complaint of harassment or discrimination.

We will promptly and thoroughly investigate any claim and take appropriate action where we find a claim has merit. To the extent possible, we will retain the confidentiality of those who report suspected or alleged violations of the harassment policy.

Discipline for violation of this policy may include, but is not limited to, reprimand, suspension, demotion, transfer, and discharge. If the Company determines that harassment or discrimination occurred, corrective action will be taken to effectively end the harassment. As necessary, the Company may monitor any incident of harassment or discrimination to assure the inappropriate behavior has stopped. In all cases, the Company will follow up as necessary to ensure that no individual is retaliated against for making a complaint or cooperating with an investigation.

Religious Accommodation

WBE Traffic Control Inc. is dedicated to treating its employees equally and with respect and recognizes the diversity of their religious beliefs. All employees may request an accommodation when their religious beliefs cause a deviation from the Company dress code or the individual's schedule, basic job duties, or other aspects of employment. The Company will consider the request, but reserves the right to offer its own accommodation to the extent permitted by law. Some, but not all, of the factors that will be considered are cost, the effect that an accommodation will have on current established policies, and the burden on operations — including other employees — when determining a reasonable accommodation. At no time will the Company question the validity of a person's belief.

If you require a religious accommodation, speak with your management.
