

OUR MISSION

Apex Elite Foundation is a non-profit organization dedicated to empowering athletes and supporting their journey through youth sports. Our mission is to provide assistance to those who need it and ensure they are able to participate in our programs. We believe every athlete deserves the opportunity to excel athletically, no matter what challenges they are facing off the field.

ABOUT US

The Staff and Volunteers at Apex Elite Foundation, Inc., have been volunteering as coaches and board members in high school, middle school and youth recreational athletics in our area for decades. Our founder, David Makauskas, is a retired police officer with over 32 years of service to the community, and has been actively involved in coaching high school football for over 25 years. His vision to provide support and opportunities in a safe environment to young athletes is the impetus behind our Foundation.

PARTNER YOUTH SPORTS PROGRAMS

Apex Elite Foundation, Inc., is teaming up with the Apex Elite flag football, 7V7 and cheerleading programs to offer support to young athletes and their families. Donations made to Apex Elite Foundation, Inc., on behalf of these programs will foster youth athletic program scholarships, purchase equipment and practice time.
