

OUR MISSION

To enhance the educational experience of students in the Orchard Park Central School District by supporting extraordinary educational experiences and opportunities in the areas of the arts, sciences, math, technology, applied career skills, athletics and culture.

OUR OBJECTIVE

To raise and invest funds that will supplement traditional state and local funding for public education in Orchard Park. Our Board of Directors works with leaders of the educational community to assure that Foundation resources will be used for the betterment of the entire community.

HOW TO GET INVOLVED

Visit our website www.opfae.org to make a donation, learn more about us, or to get involved.
