10-Day Hawaiian Adventure on the Norwegian Cruise Lines “*Pride of America*” April 24 - May 4, 2025

Join Paskey Tours on our repeat trip to the beautiful Hawaiian Islands. We will fly from Cleveland to Honolulu and spend our first two nights in the beautiful Hilton Hawaiian Village Waikiki Beach Resort. This is Waikiki's only beachfront resort, and it sits on 22 lush tropical acres. It boasts swimming pools, water slides, manicured gardens, and exotic wildlife. There are waterfalls, 20 restaurants & lounges, and over 90 shops and services. On our second day in Honolulu, we have included an excursion to Pearl Harbor.

On our third day, we will board the newly renovated Norwegian Cruise Line “*Pride of America*”, the only cruise ship that strictly tours the Hawaiian Islands. Only Norwegian visits four islands in seven days with two overnight stays, spending nearly 100 hours in port. This enables you to capture the true spirit and soul of Hawaii each and every day you are on an island.

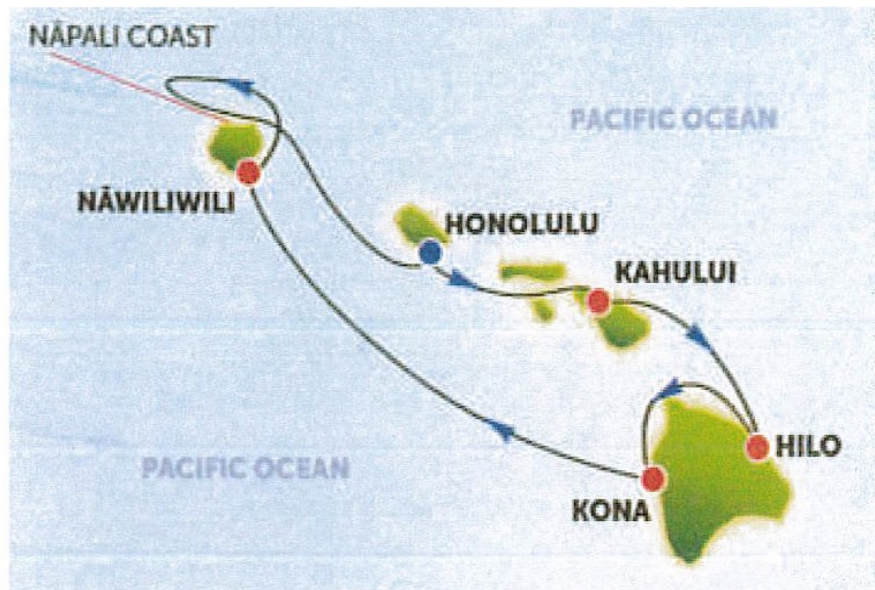

One of the highlights of this trip is a true Hawaiian Luau that we will go to while on the island of Maui. The “Old Lahaina Luau” has been voted “Best Luau on the Islands”. The next few days takes us to Hilo, Kona, and we overnight in Kauai, one of the most beautiful places on earth (this is where most of Jurassic Park was filmed.) On our last day, we have our own Honolulu area tour before going home. If you have ever wanted to experience the Hawaiian Islands, this trip is for you!

PORTS OF CALL

Honolulu, Oahu

Cosmopolitan Honolulu offers hundreds of attractions and points of interest for the ambitious sightseer. From Pearl Harbor to Iolani Palace (one of the only royal palaces on American soil), you'll enjoy exploring this city, which seems to rise up out of the lush Hawaiian flora.

Kahului, Maui

Grab a snorkel and explore Molokini islet, home to 250 species of tropical fish. Hike to the summit of dormant Haleakalā, or play a round of golf on one of the world's most beautiful golf courses.

Na Pali Coast, Kauai

Reaching from sea level to over 5,000 ft. in elevation, the Na Pali Coast offers some of the world's most amazing coastline views. You'll be awestruck by the near-vertical cliffs covered in emerald green vegetation, sea caves and waterfalls. Keep an eye out for sea turtles and dolphins.

Hilo, Hawaii

Located on the lush coast of the Big Island, Hilo has two of the most spectacular waterfalls in all of creation: Rainbow Falls in the south and the mammoth Akaka Falls in the north. Hilo is also home to Volcanoes National Park and the imposing Kilauea Volcano.

Kauai, Hawaii

Although one of the smallest of the Hawaiian islands, Kauai is a paradise of large proportions. Along the Lihue Kalapaki coast, you can visit Wailua Falls, which served as the backdrop of the old television series Fantasy Island. Most of Jurassic Park was filmed on this island. This paradise, with its miles of beaches and attractions such as Fern Grotto, will fulfill your own fantasies of what a perfect vacation spot should be.

Kailua-Kona, Hawaii

This was once the seat of power from which the great King Kamehameha ruled his island empire. Located on the picturesque Kona Coast, where some of the world's best coffee is harvested, Kailua-Kona is close to the marine sanctuary of Kealahue Bay. This snorkeling haven is also home to the Captain Cook Monument.
