## **Nevada Community Development Collaborative**

### **Mission**

- Provide a forum for representatives of Nevada financial institution Community Reinvestment Act and Community Development professionals to learn and collaborate, maximizing the impact of their institution's community investment.

### **Connect, Educate, Impact:**

- **Connect:** members through best practices, professional development, program awareness and collaboration.
- **Educate:** members on opportunities, initiatives and community non-profit ecosystems.
- **Impact:** leverage the collaborative to drive an inclusive and equitable economy for underserved Nevada communities.

### **Vision**

All Nevadans empowered to achieve economic security

### **We Value**
