Community Pride! Residents Pitch in to Clean Up

The desert floor is a bit cleaner today, thanks to the hard work and caring actions of Community Coalition of the Antelope Valley and High Desert Keepers, who organized clean-up events in Palmdale on Feb. 13 and 20 near Barrel Springs Road, and at 75th St. West and Ave. M on Feb. 27. The City provided staff, a dump truck, wheel loader, lightning loader, and a portable restroom. Waste Management provided two dumpsters. Approximately 128 tons of illegally dumped trash were removed. Also on Feb. 27, members of the Lifesaver Wild Horse Rescue were back at Barrel Springs continuing the clean-up efforts there. Dozens of residents donated their time, including Palmdale Mayor Steve Hofbauer and Councilmembers Austin Bishop and Juan Carrillo.

To report illegal dumping, you may go online at www.cityofpalmdale.org/ReportIllegalDumping, call 94-PRIDE (661/947-7433) or download the Recycle Coach app on your smart phone.
