Dancing the Night Away

Saturday, June 1, 2024 • 6pm at The Carson Center

Dear Ampians,

Another season has come and gone, and to say it has been a 'whirlwind' would be an understatement. I mean seriously, how is it June 1, 2024 already!?!? Thank you all for coming tonight to show love and support for all of these amazing performers who are getting ready to take the Carson Center stage.

I feel like I say this every year, but truly this season could not have been possible without the 'village' that makes up AMPA. Trish, knowing that you believe in AMPA as much as I do is the biggest reason that AMPA has been able to continue over these past few seasons. I am so grateful for you and your friendship, and am forever indebted to the leadership and sacrifices you make for AMPA everyday! (And for your tech savviness as well, lol). Trish and teachers, thank you all for being the heart of the studio on the daily. When I started AMPA in 2009, I wanted it to be a safe haven for its students, not just a studio for dance. A 'home away from home' was my goal, and I forever appreciate each of you helping to create a loving atmosphere for all of the AMPIANS who come through the doors everyday.

Parents, thank you all for continuing to trust me and all of the craziness that comes along with my 'situation' of living afar. AMPA has only ever been successful thanks to the team effort that goes on inside its walls. Moms and Dads are the muscle behind AMPA and the support that keeps the dancers dancing. Thank you for the love and energy that you put into helping keep the AMPIANS dancing - - AMPA really does have some of the best dance moms and dads around!

Dancers, your dedication and sacrifice does not go unnoticed. I know I ask a lot of you all on a regular basis, but I hope that you all know that you are my inspiration. I genuinely love and care for each one of you, and I thank you for the passion you bring to AMPA. It is an honor to be a part of your journey, dancers!

Again, thank you all for coming to the 14th annual performance of AMPLIFY. Enjoy the show!!

Love,
Tressa Wilham Harrison

AMPA FACULTY

Tressa Wilham Harrison is the owner/director of the Academy of Movement and Performing Arts (AMPA), and she holds a BA in dance from Hunter College in New York City. Originally from Paducah, Kentucky, Tressa has trained and performed nationally with top dance choreographers, such as Mia Michaels and Andy Blankenbuehler. Tressa's choreography and dancers have been recognized at both the regional and national level. She is constantly working to expose her students to new choreographers by bringing in guest instructors, as well as taking her students to dance conventions and intensives. In addition to teaching at AMPA, Tressa travels nationally judging for dance competitions.

Trish Steckenrider began dancing at the age of 3 under the direction of Joan Crawford in Paducah, KY. Trish received her Bachelor of Fine Arts degree in Dance from Missouri State University. Trish has training in Tap, Jazz, Ballet, Contemporary and Ballroom. Trish loves working with the Company Dancers at AMPA, however her other 2 focuses in the studio are truly a passion for her. Trish works with many of AMPA's Dance 1 and Dance 2 classes and the Dancers with Special Needs Class.

Ashley Henley grew up on Dance! She has 34 years of experience in competitive training and teaching dance. At the age of 9, she traveled abroad and performed in Russia and Denmark, trained at the Kentucky Governors School for the Arts, Hofstra University in New York, Goucher College Boston in Dance Intensives and studied with Mia Michaels, Ray Leeper and Andy Blankenbuehler. Ashley is so excited to continue her passion for dance and to mentor the next generation of young performers to learn, love and reach their full potential.

Brooke Lodge was born and raised in Paducah, KY and began dancing at just three years old. Over the years, she has had the opportunity to travel all over the nation dancing and competing. She has also had the opportunity to train under many renowned dancers and choreographers. In 2009 she took her passion for dance and her studies to the University of Kentucky where she was a member of both the University of Kentucky Dance Team and the UK Dance Ensemble.

Timera Massey graduated from Oklahoma City University with a Bachelor of Fine Arts in Dance Performance in 2004. Prior to graduating, Timera performed at a Six Flags owned theme park for their summer entertainment. Upon graduation, she performed with Royal Caribbean Cruise Lines onboard 8 different vessels, performing in over 20 of their production shows while visiting over 25 countries. She was a featured aerial artist onboard performing with silks and halo harness. Timera has also performed and been an assistant for 6 magicians on land and sea. Timera has over 25 years of teaching experience and loves watching the progress of her students. Her style specialities are

AMPA FACULTY

lyrical, contemporary, stretching, and strengthening, but also enjoys teaching musical theatre, tap, and acro. Teaching is her passion and she loves working with young dancers to help them achieve their full potential.

Mati Anderson has had the opportunity, throughout her education in dance, to train all over the world. She began her training at DC Dance Factory and then auditioned for Virginia School of the Arts, a ballet boarding school, where she was the youngest student ever selected to attend. During her time as a pre-professional, Mati attended summer intensives with The Joffrey Ballet School as a trainee, ABT, and Complexions Contemporary Ballet (CCB). She then ventured on to pursue a BFA in Dance at Troy University. During her time in undergrad, Mati was able to train and perform repertory from AbrahaminMotion, Kile Hotchkiss, again with CCB, attended The American Dance Festival, and completed a summer residency at NYU: Tisch School of the Arts. Mati then ventured across the pond and moved to Italy. She was a soloist with Florence Dance Company, as well as took on the role of International Relations Coordinator for Danzainfiera, Europe's largest dance festival. After returning to the states, Mati made her home base Atlanta, Georgia. During her time in the A, she was a company member with Admix Dance Project, Kit Modus Dance Company, Underground Ballet, and Fuerta Dance Company. Mati recently moved back to Nashville, TN where she still performs and teaches in conjunction with choreographing at dance studios across the country. She is truly ecstatic to share her passion for the arts and technique with others.

Adam Ackerman moonwalked into the hip hop scene at age 11 and hasn't looked back since! He has featured in numerous music videos and TV appearances such as Dan + Shays music video "Steal My Love", Dreamworks Kung Fu Panda, The Middle, TV Land Awards Show, TeenNick, Xbox Kinect, Macy's Annual Passport Show "Glamourama" and America's Got Talent. He was also apart of Nick Cannon's boyband "4Count" in which he sang, danced and choreographed for the group. They spent 2 years in Canada signed to Sony Canada where they toured the country, released an album, and starred in their own tv show "Mission4Count" which aired on YTV then later aired in the US on TeenNick. In 2016 he toured with Monster Headphones performing all over Japan and South Korea. His most recent travels include China where he choreographed and danced for a Canadian Artist at a club residency in Chengdu. Adam sets his sights high, reaching for the moon and already moonwalking on the stars!

Alanna Wilson is originally from a small town in Indiana but has lived in southern Illinois for about 8 years. Right out of high school, Alanna joined the Army to be an Apache mechanic, but her love and passion for dance, gymnastics, and teaching brought her back home to do what God was calling her to do. This is her first year teaching at AMPA but she has been teaching dance since she was a teen and also teaches tumbling in Vienna. She is married with two kids, Cooper, and AMPA's Ali Jo! Alanna has loved her first year at AMPA and hopes to continue to be a light in all these kids' lives.

WE ARE PROUD OF YOU!

GRADUATING SENIORS

Ali Rose Joyner

Ali Rose Joyner is a 2024 Valedictorian of her graduating class at McCracken County High School, and will attend the University of Mississippi this fall to study accounting. While she may be trading in dance numbers for statistical ones, Ali Rose said the final curtain has not fallen on her dance career. "Dance doesn't end on this stage tonight. What I've learned through AMPA, I will take with me and apply to all areas of my personal and professional life," she said. "I am forever grateful for Mrs. Tressa, as she choreographed so much of our dance lives, but I'm more thankful for her incredible leadership on and off the dance floor."

Ali Rose started dancing at five, when AMPA first opened in what was known as the SportsPlex. She joined the competitive AMPA Elite team in 2016. Outside of dance, Ali Rose is involved in many school organizations and programs. A proud member of Paducah's L.E.A.D. Class 12, she also is a member of her school's All Girl Cheer Team, Student Government Association, National Honor Society, Future Business Leaders of America, Fellowship of Christian Athletes, and Glamour Gals. Ali Rose is also an active member of the Family Consumer and Career Leaders of America (FCCLA), where she earned first place honors in a state-wide competition.

"I'm so proud of the awards and recognition I've received throughout my dance career, and I'm so thankful for the opportunities I've been given," she said, "I'm even more proud, however, to have been a part of something bigger than myself; that AMPA vision that seeks to develop personal success in an ever-evolving world."

Your AMPA family is so proud of you, AR!! Hotty Toddy!

WE ARE PROUD OF YOU!

GRADUATING SENIORS

Allie Buckman

Allie Buckman is a 2024 Summa Cum Laude graduate from Graves County High School. While at Graves, she has been involved in Senior student council, DECA, FCCLA, Fellowship for Christian Athletes, Health Occupations Students of America, and World Languages Club. Allie is also a Governors Scholar Alumni.

Though she has been dancing for many years, Allie officially became an AMPIAN in 2020 when she began taking dance classes at AMPA. She is wrapping up her fourth season on the AMPA performance team, and has enjoyed working under the instruction of Mrs. Trish and getting close with her teammates. "I absolutely adore my team and I hope they go as far as they dream!", Allie said.

In the fall, Allie plans to attend Murray State University to major in biology/Pre-Medical and minor in chemistry. She hopes to become a medical doctor in the future. Allie, your AMPA family cannot wait to see the impact you have on this world!! We are proud of you!
