I give her to you
Oh God up above
The recipient of
Everlasting love.
Hold her, nurture her,
Free her from pain
Until I can be there
To see her again.
Teach her to travel,
To fly through the air
With wings on her back,
Maybe she'll dare
To soar to the highest peak
She can find,
Nestle with gladness,
Peace on her mind,
Guarding her loved ones,
Show them the way
To be with you
At the end of their day!
